HAPPY NEW YEAR !

Wishing all our SL parents, community, our friends, and our wonderful students, a year filled with an abundance of health, joy, love, and success. May 2020 bring you all that you desire and may all your dreams come true for 2020!

REGISTRATION FOR 2020-2021

As you may know, the registrations for brothers and sisters of Sinclair Laird students started on *January 27th to January 31st*. Missed it? No problem, give us a call and we will assist you with any inquiries.

New Registrations: February 3, 2020 to February 7, 2020.

If you know a family member, a friend, or a neighbor who might be a candidate to register at Sinclair Laird school, please let us know. The best bilingual school in Montreal practices inclusive instruction and has space available! Share with everyone, spread the word! Pre-Kindergarten classes available as of 4 years old.

Did you know?

If a child does not already have eligibility, they may still be able to register at Sinclair Laird under circumstances that involve special needs. A child's siblings (brothers and/or sisters) may also qualify for eligibility due to the circumstances. Any questions? Feel free to reach us at 514.279.9026. We provide the support that you and your children require.

LIBRARY ROOM

We are planning to upgrade, reinvent and renew our library room. We want to know what you think, your ideas matter!

SKATING

Grade 5 students have been practicing their skating skills under the watchful eye of Mr. Danovitch, our Phys-Ed teacher and their gr 5 teacher, Ms. Melanie. There has been an incredible progress from students at the skating rink in the past few weeks. The next cohort to step onto the rink will be announced in the upcoming week.

SPRING CONCERT 2020

Stay tuned for the upcoming Spring concert in April 2020. All students in every grade level will be taking part in the concert, students have already started to practice their songs and dances together with our inspiring and talented music/drama teacher.

THE IMPORTANCE OF WASHING HANDS

Washing your hands properly can help prevent the spread of germs (bacteria and viruses) that cause diseases. Some forms of gastrointestinal and respiratory infections can cause serious complications, especially for young children, the elderly, or those with a weakened immune system. Always wash your hands after using the bathroom, before and after eating or preparing food. Rinse well under running water and make sure all traces of soap are removed. *Wash Wash Wash!*

Jouons En Français

Our grade 3 Students were happy to present a mini play from the movie « SING » in French. Amazing performance and acting skills! They are happy to be working with Mrs. Corinne Roucoules in our special french workshops « Jouons En Français».

SL STEAM MAKERSPACE

STEAM projects and activities are in their early stages with a few classes. Other classes will be starting their STEAM projects and activities shortly. Stay tuned for more updates! Photos & Videos online.
