Dearest P.E.T. Families,

Congratulations to our Grade 6 students who competed in the Robotics Competition on Feb. 21 and got 2nd place! Merci M Patrick d'enseigner à nos élèves et de partager votre passion avec eux. Merci à Mme Sandy et à ses élèves de 5e année pour la réalisation de l'exposition de robotique. Thank you to Ms Jennifer for accompanying and supporting the team. Félicitations!

Our Grade 5 students enjoyed their ski trip! Merci à M. Max pour l'organisation du voyage. Thank you to Ms Patty and Ms Anna for accompanying the students and sharing the ski slopes with them!

Any Kindergarten-5 & Grade 6 students who were absent and missed taking their grad photos on February 25, retakes will take place on Thursday, March 27 at school.

Apologies that our Community Coffee had to be cancelled. We will be holding our coffee time on Wed. March 26. Bring your mug and share some time together!

Thank you to PPO and parent donations for the delicious treats and meal for Staff Appreciation Week. Our school is what it is because of the entire community. We are incredibly grateful for the outstanding staff at PET! Their dedication and hard work make our school a wonderful place for our students to learn and grow. We also want to extend our heartfelt thanks to our students and parents for the kindness and appreciation you show our staff each day. Our school thrives because of the strong sense of community we share. Your trust, cooperation, and support are invaluable, and we appreciate all that you do to contribute to our students' success. Thank you for being an essential part of our PET family!

I am including this message again in this newsletter regarding the frigid temperatures and recess times, which is a school board policy. While we want the students to get out at recess times to run around the yard and have fun, we must also be careful when temperatures become frigid. At recesses, lunchtime, and during daycare, if the temperature dips to -20 degrees Celsius, when making the decision, the following are taken into consideration: sunshine or lack thereof, wind /intensity thereof, wind chill index, time of day (after school when sun is going down), amount of time spent outside. As such, please make sure your child is dressed appropriately to go outdoors. **The final decision is made by administration. We appreciate your confidence in us when we make decisions.**

A reminder to kindly use Mozaik or call the school to report your child's absence by 8:30am.

Please check your child's health daily and inform the school of any concerns or diagnoses.

Check your child's agenda daily.

The PPO's SEEDS Fundraiser ends on Mon. March 3. Make your purchase online at <https://links.fermetournesol.qc.ca/THD6>

March is National Nutrition Month! Let's encourage healthy eating and lifestyles!

Have a fun and safe spring break! We will miss you all! See you on Monday March 10!

Ms. Alvares

We must deposit and pay for the items ordered before the event day.**

PPO Information

All fundraising monies goes back to the school to pay for outings and busing, events, activities, for our students. We encourage all to participate as it benefits the school. You are also welcomed to make donations instead of participating. These funds go towards buses for school outings and activities, providing students with fun activities (Welcome Back Fun Day and Mr Puffs, buses for outings, decrease fees for class outings, Breakfast with Santa, etc). Thank you for your support.
