DEFINITIONS

Based on the information available, it is highly possible that definitions of “violence and bullying,” including “sexual violence,” will be issued following the adoption and coming into force of the Act respecting the National Student Ombudsman. Any definition issued by the National Ombudsman, or otherwise established by law or regulation, takes precedence in the event of any contradiction between it and the definitions established in the ABAV plan.

BULLYING

The word “bullying” means any repeated direct or indirect behaviour, comment, act or gesture, whether deliberate or not, including in cyberspace, which occurs in a context where there is a power imbalance between the persons concerned and which causes distress and injures, hurts, oppresses, intimidates or ostracizes.

S. 13(1.1) EA

VIOLENCE

The word “violence” means any intentional demonstration of verbal, written, physical, psychological or sexual force which causes distress and injures, hurts or oppresses a person by attacking their psychological or physical integrity or well-being, or their rights or property.

S. 13(1.1) EA

SEXUAL VIOLENCE

The concept of sexual violence refers to any form of violence committed through sexual practices or by targeting sexuality, including sexual assault. It also refers to any other misconduct, including that relating to sexual and gender diversity, in such forms as unwanted direct or indirect gestures, comments, behaviours or attitudes with sexual connotations, including by a technological means.

ANALYSIS OF THE SITUATION PREVAILING AT THE SCHOOL WITH RESPECT TO BULLYING AND VIOLENCE

ANALYSIS

An analysis of the situation prevailing at the school with respect to bullying and violence is conducted each year by using the following indicators:

<input checked="" type="checkbox"/>	Incident reports
<input checked="" type="checkbox"/>	Anonymous reporting
<input type="checkbox"/>	Reports from the transportation (i.e., bus) and/or daycare staff

Key patterns that emerge at the school with respect to bullying and violence

These findings should help the ABAV committee gain valuable insights into the school's climate and culture.

Online cyber-bullying, student conflict spills into the school environment affecting dynamic between students.

In previous reports, students have reported feeling unsafe in unsupervised areas (bathrooms, hallways, after school, bus stops)

Device-free throughout the building; Yondr cell phone pouch. Students appear more active/engaged, interpersonal interactions have increased. Teachers and parents anecdotally have reported better moods from teens, better classroom environment and more engagement.

Hateful language (religious/racial/cultural): Students need to feel empowered to call this out amongst friends or peers. We need to change school culture on all levels. Proactive intervention: School discussing sensitive language, using field trips, targeting issues affecting specific grades.

Emotional immaturity from the junior grades who use problematic language; don't necessarily understand the meaning.

Many students live in single-parent homes, and students are home alone more often and use social media and YouTube videos etc to watch things that parents or adults would not condone; then they share the inappropriate content with peers at school.

Short-form media (such as reels and Tik Tok videos, a few seconds in length) that changes students' attention span; everything is more dramatic and negative that students consume and spread

Observations have been that students are still struggling with interpersonal interactions and socialization since COVID. There is a need to support them in managing their relationships with peers or staff.

Secondary 5 students who have had challenging behaviours are less likely to report issues and think this is the norm. These are the students who were in secondary 1 during COVID and didn't have a proper transition into high school, meaning that these students didn't have the opportunity to participate in transition-to-high school activities that Westmount High School organizes annually for secondary 1 students.

ELEMENT 2

PREVENTION MEASURES

To effectively address bullying and violence, it is crucial to implement prevention measures designed to tackle the specific areas of concern, particularly those motivated by racism and that target individuals based on their sexual orientation, gender identity, physical characteristics, or disabilities.

The primary objective of these prevention measures is to create a safe and inclusive environment that fosters positive attitudes and behaviours. Based on the analysis of the situation prevailing at the school with respect to bullying and violence, each school must identify specific priorities and prevention measures that they commit to put into practice.

PRIORITIES	PREVENTION MEASURES

ELEMENT 3

MEASURES FOR COLLABORATING WITH PARENT(S) / GUARDIAN(S)

Improving daily school life requires the active involvement of school administrators, staff, students, and families. Students also have a responsibility to support and promote positive behaviour within the school community. Parent(s)/guardian(s) are equally important partners in this initiative; they should be aware of any changes in their child's behaviour and contact the school when necessary.

The following measures aim to promote transparency and encourage the collaboration of schools with parent(s)/guardian(s) in preventing and reducing bullying and violence:

1. The School's Code of Conduct will be communicated to the parent(s)/guardian(s), for example, via the school agenda, curriculum night, bulletins/memos, and/or on school website.
2. The ABAV plan will be made available to parent(s)/guardian(s) on each school's website.
3. The complaint forms will be made available to parent(s)/guardian(s) on each school's website.
4. S. 96.12 EA states that "on receiving a complaint concerning bullying or violence, and after considering the best interest of the students directly involved, the principal shall promptly communicate with their parents to inform them of the measures in the anti-bullying and anti-violence plan. The principal shall also inform them of their right to request assistance from the person specifically designated by the school service centre for that purpose."
5. The school will work to build relationships with parent(s)/guardian(s) through school-initiated actions.

Insert actions:

- Parents and students may report incidents via the anonymous bullying website and through other means of communication such as emails, in-person meetings and phone calls to administration
- Parent Participation Organization
- Parent/Teacher Conferences
- Annual Family Breakfast held in December by student council
- Meet the Teacher for parents from all grade levels
- Evening information sessions with guidance counselors
- School social media
- Parenting Teens in the Digital World: prevention table where information is shared with parents during our parent-teacher meetings for term 1
- Westmount Highlights YouTube Channel
- EMSB safe physical and cyber environment policy
- Google Classroom
- Governing Board

6. Other means for collaborating with parent(s)/guardian(s).

ELEMENT 4

PROCEDURES FOR REPORTING

The school will implement the necessary measures to ensure confidentiality for all parties involved.

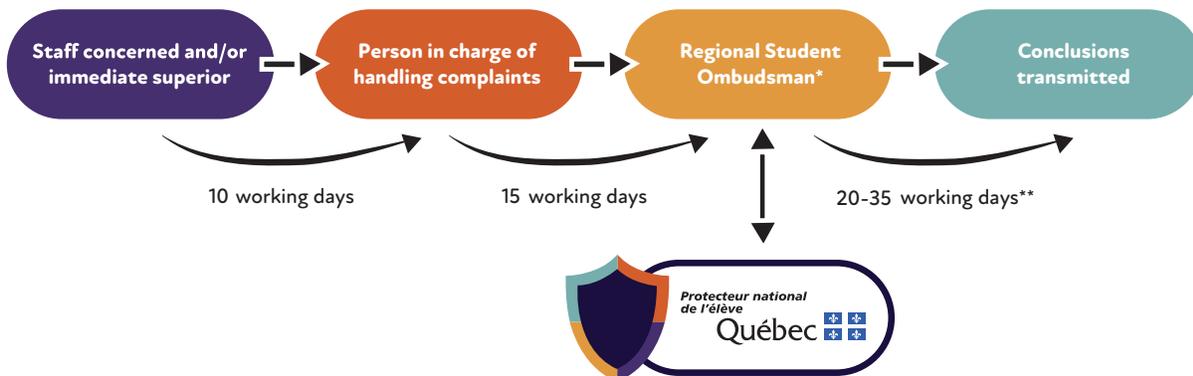

1. An incident of bullying and/or violence can be reported verbally (in-person or by phone) or in writing (complaint form, email, or letter addressed to school administration) to any school personnel. Students are encouraged to include their name for future follow-ups when reporting an incident of bullying and/or violence in writing.
2. S. 33 of the Act Respecting the National Student Ombudsman states that in the case of sexual violence, the complainant may file their complaint directly with the Regional Student Ombudsman.

Government of Quebec - Complaints

3. Any student who witnesses an act of bullying and/or violence has a responsibility to report the incident to school staff, while also considering their physical and emotional safety.

The following are the means through which a student may do so:

- » Inform a staff member.
 - » Inform school administration.
 - » Mention it to a teacher or staff member they trust.
 - » Tell parent(s)/guardian(s).
 - » Anonymous reporting, as specified by the school.
4. Any parent/guardian who witnesses or is made aware of an act of bullying/and or violence is encouraged to report the incident to a school administrator or staff member.

*Note that Regional Student Ombudsmen can examine complaints even though the first two steps did not occur, if:

1. They feel that these two steps are not likely to correct the situation adequately or the timeframe for processing the complaint during the preceding two steps makes their intervention pointless;
2. The complaint concerns an act of sexual violence.

** Regional Student Ombudsmen have 20 working days to examine the complaint and draft the conclusions. The National Student Ombudsman has five working days to inform the Regional Student Ombudsman of whether he/she intends to examine the complaint. If the decision is made to examine the complaint, the National Student Ombudsman has 10 working days to finish examining it and, if he/she deems it appropriate, the Regional Student Ombudsman's conclusions and recommendations are replaced by his/hers.

INTERVENTION PROTOCOL

Our school is committed to providing a safe, caring, and positive school climate. School personnel must report and/or investigate all incidents of bullying and/or violence and take appropriate action whether they personally observe the incidents or learn of them by some other means. We will address all complaints, investigate, and take appropriate actions even if the target(s)/victim(s) does not file a formal complaint or does not express overt disapproval of the incident.

This protocol below establishes practices and procedures for observed and reported incidents of bullying and/or violence.

STAFF PROTOCOL

Staff members who witness an act of bullying and/or violence must intervene immediately or as quickly as possible to address the issue.

- The immediate safety and security of all parties must be ensured.
- All incidents of bullying and/or violence must be reported to the principal, in a timely manner.
- All incidents of bullying and/or violence must be documented.
- The school administration must investigate all complaints, in a timely manner.
- The school administrator responsible for investigating the complaint about the behaviour should:
 - a. Conduct separate interviews with the target(s)/victim(s) and the perpetrator(s).
 - b. Engage the target(s)/victim(s) first and focus on their safety. Create a safety plan if needed.
 - c. Reassure the target(s)/victim(s) that the bullying behaviour will not be tolerated and that all possible steps will be taken to prevent a recurrence.
 - d. Offer counselling to the target(s)/victim(s) and perpetrator(s) (if needed).
 - e. Inform parent(s)/guardian(s) of the incident and subsequent intervention. Details of the intervention or disciplinary actions that compromise the confidentiality of an individual are not to be shared.

A complaint to the police and the DYP may be made depending on the situation.

INCIDENT OF BULLYING AND/OR VIOLENCE HAS BEEN WITNESSED OR REPORTED TO STAFF MEMBER

Report incident to principal

Document information related to incident

INVESTIGATION BY SCHOOL ADMINISTRATION

Conduct separate interviews with victim/target and perpetrator

Create safety plan (if needed)

CONTACT PARENT(S)/GUARDIAN(S)

Inform them of the incident and subsequent intervention, without compromising the confidentiality of the individuals involved

ELEMENT 6

MEASURES TO ENSURE AND PROTECT CONFIDENTIALITY OF ANY REPORT OR COMPLAINT CONCERNING AN ACT OF BULLYING AND/OR VIOLENCE

Considering that personal information will be received and collected by various school employees (principal, teacher, etc.), it is important to ensure general compliance with the provisions of the Act respecting Access to documents held by public bodies and the Protection of personal information.

The following steps will be taken to ensure and protect the confidentiality of any report or complaint disclosure concerning an act of bullying and/or violence:

1. School staff will be reminded, by the administration, at least once a year of their school-specific procedures for maintaining confidentiality of all incidents and the ensuing follow-ups.
2. Reports or complaints will be documented, with physical and/or electronic copies filed in a secure manner.
3. Intervention strategies will be employed to ensure and protect the anonymity of individuals who report or provide information.
4. Other measures to ensure and protect confidentiality, determined at school level.

Insert here:

Victims of intimidation are not invited to the office when they are in the same class as the student(s) bullying them. Administration meets with them at different times to ensure confidentiality.

When multiple students are accused of an act of intimidation, the administration meets with them separately and in different areas of the main office and school if necessary to ensure confidentiality.

Our school secretaries use the intercom to ask students (victim or bully) to come to the main office rather than the administration. This draws less attention to them.

ELEMENT 7

SUPERVISORY AND SUPPORT MEASURES (for the victim, bully, witness and bystander)

It is the responsibility of every staff member to respond to difficult/challenging situations as opportunities to help students improve their social and emotional skills, develop a sense of personal responsibility towards their learning environment, and understand consequences of choices and behaviours.

A clear distinction exists between **remediation** and **consequences**.

a. **Remediation**, intended to counter or “remedy”: Remediation measures aim to correct behavioural problems, and can serve as an effective prevention practice. These measures are designed to prevent the recurrence of problematic behaviour, protect and support the target(s)/victim(s), and take corrective action against systemic issues related to bullying and/or violence. By working with re-integration plans and restorative practices, remediation provides students with opportunities for learning, to reflect on their behaviours, develop pro-social skills, and make amends to those affected.

b. **Consequences** communicate to the perpetrator that their behaviour is their responsibility and that their choices may result in negative outcomes. Consequences are typically implemented alongside remediation measures and restorative practices; they should be applied on a case-by-case basis and take into consideration a number of factors including:

Student Considerations:

- Age and developmental maturity of the students involved.
- Nature, frequency, and severity of the behaviours.
- Relationship(s) of the parties involved.
- Context in which the incidents occurred.
- Patterns of past or continuing behaviours.
- Other circumstances that may play a role, such as factors outside the school.

School Considerations:

- School culture, climate, and general staff management of the learning environment.
- Social, emotional, and behavioural supports.
- Student-staff relationships and staff behavior toward the student.
- Family, community, and neighborhood situation.
- Alignment with policies and procedures.

Examples of remedial measures and consequences may include, but are not limited to:

Target(s)/Victim(s)

1

Arrange meeting with qualified personnel, such as a counsellor, behavioural technician, administration, or staff member to:

- Establish a safe environment where the target(s)/victim(s) can share their feelings about the incident and maintain open lines of communication.
- Develop a plan that ensures the student's emotional and physical safety.
- Assure the student that they are not responsible for the behaviour of the perpetrator.
- Ask student to keep any evidence related to the incidents.
- Offer counselling services to help the target(s)/victim(s) build skills to cope with the negative impact on their self-esteem and well-being.

2

A staff member will schedule follow-up meetings with the student to ensure that the bullying and/or violence has ceased. The frequency and level of support offered at these meetings shall depend on the target(s)/victim(s) feedback and current circumstances.

Student(s) Exhibiting Bullying and/or Violent Behaviour

1

Develop an intervention plan with the student that allows them to voice their perspective and contribute to identifying ways to solve the problem and change their behaviour.

2

Meet with the student's parent(s)/guardian(s) to establish a re-integration plan agreement that emphasizes the school's rules and expectations, as well as the long-term negative consequences/impacts of bullying and/or violence on all parties involved, and that clearly outlines the consequences if the behaviour persists.

3

Consult with behavioural technician, school counsellor, social worker or psychologist to:

- Investigate underlying mental health or emotional issues to better understand what is happening and why.
- Offer additional social skills training, such as managing impulsivity and anger, and developing empathy and problem-solving abilities.
- Arrange for restitution, especially if any personal belongings were destroyed or stolen.
- Determine age-appropriate restorative measures.

Witness(es)

1

Following the incident, witness(es) may be called in for an intervention to understand their involvement in the event. If the incident is severe, witness(es) may be met with individually or as a group to debrief the situation.

2

Offer counselling services if deemed necessary.

3

Provide updates in a timely manner to ensure a sense of safety and security for witness(es).

4

The school reserves the right to contact the parent(s)/guardian(s) of witness(es), at its discretion.

Student Bystander(s)

1

Review procedures for reporting an incident of bullying and violence.

2

Encourage student bystander(s) to denounce incident to school staff.

3

Offer guidance.

ELEMENT 8

DISCIPLINARY ACTIONS

The administration, in consultation with the School Board when appropriate, has the responsibility to impose disciplinary and corrective measures based on the severity and/or frequency of incidents, and in accordance with the Student Code of Conduct. Disciplinary and corrective actions may include, but are not limited to the following:

- Notifying parent(s)/guardian(s)
- Verbal warning or a meeting with the student(s)
- Limiting participation to particular activities (e.g., sports activities, school outings, etc.)
- Restitution
- School contract
- Detention
- In-school suspension
- Out-of-school suspension
- Referral to alternative to suspension program
- Other disciplinary or corrective measures, adopted at the school-level

Community Service within the school or with outside organizations may be used based on severity of the incident.

Follow-up meetings with:

- behaviour technicians to support student re-integration after a suspension
- YMCA Alternative Suspension: Youth counselor attends the reintegration meeting with administration, the student and parent(s) after a suspension
- guidance counselors to support victims of bullying

ELEMENT 9

FOLLOW-UP PROTOCOL ON ANY COMPLAINT

The school administration will ensure that each incident was properly followed up on and documented.

Follow-up measures will include the following:

- Verification that the incident has been properly documented.
- Verification that all parties immediately involved have been met with and that intervention protocols have been followed.
- Verification that parent(s)/guardian(s) of the target(s)/victim(s) and perpetrator(s) have been contacted.
- Meeting with the target(s)/victim(s) and perpetrator(s) separately to assess their well-being, and that the bullying and/or violence has ceased.
- Verification of the completion of remedial measures for all parties concerned.
- Refer parent(s)/guardian(s) to complaints procedure outlined in the Act Respecting the National Student Ombudsman should they express dissatisfaction with the course of action from the school administration.

Gouvernement du Québec – Complaints

SEXUAL VIOLENCE

Elements 1 to 9 of the present ABAV plan apply to acts of sexual violence, as adapted considering the circumstances. In addition to the prevention measures mentioned in Element 2, the following training will be mandatory to all management and school personnel:

- Training provided by the Ministère de l'Éducation du Québec (MEQ)

In addition to the required MEQ training, the following measures can be implemented to support the prevention of sexual violence:

1. Training by Marie-Vincent Foundation
2. Implementing the Sexuality Education Plan
3. Support from the Student Services Department and Educational Services

INTERVENTION PROTOCOL

For acts of sexual violence, the administration must contact the Student Services Department. Specific measures might be required in certain cases and the board will be of assistance to the administration as to the steps to follow.

FOLLOW-UP PROTOCOL

In addition to the follow-up protocol mentioned herein (Element 9), and more specifically, to the possibility of filing a complaint, in the case of a complaint concerning an act of sexual violence, the school administration shall also inform the student who is the victim that it is possible to refer the complaint to the Commission des services juridiques. If the student is under 14 years of age, the school administration also informs their parent(s)/guardian(s) of that option, and if the student is 14 years of age or over, the school administration may also inform their parent(s)/guardian(s) of that option, with the student's consent.
