Special Notes:

- (1) *New student matriculation numbers reflect enrollment as of the first day of class.
- (2) The COM standard length of program is 4 years. However, University policy requires all COM students to complete their program of study within 5 years of matriculation. Exceptions are rarely made.
- (3) Each year, approximately 8 COM students are admitted into a fellowship program, which extends their standard program of study to 5 years.
- (4) The Bioethics program moved from the College of Biosciences to the College of Medicine
- (5) COM, Bioethics Career Enhancement not offered after 2014
