In the third year, your maximum financial aid eligibility includes the fees for the COMLEX Level 2 exam! If you know you'll need help with that fee be sure to take that cost into account when you accept the aid you need at the beginning of the year!

CLERKSHIP ALLOWANCE

The Clerkship Allowance category helps account for additional expenses related to your clerkships. This could include travel costs, fees, or living expenses. This allowance is calculated at 11% of Housing/Food and Personal/Medical:
 $\$25,680 + \$6,480 = \$32,160$
 $\$32,160 \times 11\% = \$3,538$

AID FOR ADDITIONAL PROGRAMS

Students who are eligible for federal aid and enroll in the Bioethics or Global Health programs can receive additional Grad PLUS Loan eligibility to cover those costs. The Financial Aid Office emails applications for additional aid to students enrolled in those programs during the academic year.
