

KANSAS CITY UNIVERSITY - COLLEGE OF DENTAL MEDICINE
STUDENT INSTRUCTIONS

In association with our clinical education program a background check and immunizations are required on incoming students to ensure the safety of the patients treated by students in the program. You are required to order your background check and immunizations tracking in sufficient time for it to be reviewed by the school and/or hospital prior to starting your clinical rotation. A background check typically takes 3-5 normal business days to complete; however, delivery to your school and/or clinical site can be impacted by a variety of factors.
