COMING SOON

College System Events Calendar

The new public-facing college events calendar will help guidance counsellors plan events and avoid double-booking days, while keeping students connected to events, workshops, and can't-miss opportunities.

Highlights of the Calendar

- A centralized hub for all college promotional events
- Inspires students to participate in college events
- Features events submitted by high schools and colleges

Details on how to submit your events will be shared via email at a later date.

Important Dates

Fall 2026 Programs

Apply

September 27, 2025

The online application is available at ontariocolleges.ca.

February 1, 2026

The deadline for applying to highly competitive programs. Applications received and paid for before this date will be given equal consideration by the colleges.

NOTE: Applicants for all programs are encouraged to apply before this date, as website and call volumes are highest at this time.

Offer

November 1, 2025

Earliest date the colleges may release offers to applicants. Offers will continue to be issued until programs are filled or wait lists are established.

NOTE: Applicants who have not met admission requirements for a program may be notified at any time during the application process.

Accept

November 1, 2025

Earliest date that applicants may confirm an offer of admission.

May 1, 2026

The most common deadline for confirming offers of admission – but not the only one. Applicants should always review their offers of admission for exact deadline dates.

June 1, 2026

Earliest date that colleges may require payment of tuition fees.

Data Transmission Schedule

Data files from school boards and / or high schools are due on the following dates:

October 3, 2025

Target date for demographics, marks history, and current and projected registrations for the entire school year. OCAS requires marks history for all courses taken in grades 9, 10, and 11.

November 14, 2025

Deadline for demographics, marks history, and current and projected registrations for the entire school year. OCAS requires marks history for all courses taken in grades 9, 10, and 11.

Deadline for first semester midterm marks. Schools may transmit interim marks for full-year courses as soon as they are available.

February 13, 2026

Deadline for first semester final marks and currently enrolled second semester courses. For non-semestered schools: Interim marks are due.

April 24, 2026

Deadline for second semester midterm marks. For non-semestered schools: Interim marks are due.

July 3, 2026

Deadline for all final marks and proof of graduation, regardless of the scheduling model.

August 7, 2026

Deadline for all final marks and/or summer school final marks and proof of graduation.

Admissions Information

Selection process for oversubscribed programs:	<p>Cut-off scores vary from year to year; as a result, we do not publish these scores. Applications are evaluated based on the published admission requirements. Some programs are ranked by the average of the required subjects; some programs are ranked by assessment results. http://www.algonquincollege.com/ro/apply-to-college-and-program-eligibility/program-requirements/how-applicants-are-selected/</p>
---	--

Selection process for non-oversubscribed programs:	Applications are evaluated based on the published admission requirements. Once the applicants meet these requirements, an offer of Admission is issued if space is available in the program.
Grade 11 marks:	Grade 11 marks are used only for ranking highly competitive programs, unless listed.
Dual credits/SHSM programs:	1,050 high school students may register for dual credit courses at Ottawa and Pembroke locations. Completion of dual credits or SHSM programs does not provide preferential treatment for admission into college programs.
Alternate offers of admission:	Yes, we do offer alternative offers of admissions.
Supplemental admission requirements:	Portfolios and admission assessments. (Please refer to our viewbook or website for more information)
Differentials:	C, M, and U level courses are equally considered unless applying directly to degrees.
Workplace pathways:	Applicants taking Workplace courses will be asked to write an admission assessment. Each student is assessed on an individual basis.
Upgrading pathways:	Academic Access Centre: http://www.algonquincollege.com/access/
Post-graduate Opportunities:	Post-Graduate programs are offered Full time and Part time. http://www.algonquincollege.com/future-students/graduate-certificates/
Deferral policy:	Offers of Admission cannot be deferred. Tuition deposits are transferable within Algonquin College programs in the same academic year. (September to August)
International student application process:	International Education Centre: https://www.algonquincollege.com/international/
Students with disabilities:	http://www.algonquincollege.com/cal/ or 613-727-4723 ext. 7200

Scholarship & Financial Aid Information

Scholarships, bursary and awards application information and deadlines:	The Financial Aid and Student Awards Office administers federal and provincial loan programs, which include OSAP and out-of-province funding, as well as scholarships and bursaries. The online bursary application, which considers students for all applicable bursaries in any given term, is available for approximately 6-8 weeks at the beginning of each term. http://www.algonquincollege.com/ro/financial-aid/

Upcoming Events:	Fall Open House: Saturday, November 8, 2025 Spring Open House: Saturday, April 11, 2026 See a full list of upcoming events at cambriancollege.ca/events.	

Institutional Information

Student Population:	Cambrian has a vibrant and diverse community of 6,000+ students in 90+ full-time programs across three campus locations in Sudbury, Espanola, and Little Current (Manitoulin Island).	
New Programs:	Honours Bachelor of Applied Psychology (HBAP): Nine semesters Honours Bachelor Degree cambriancollege.ca/HBAP	Tourism (TOUR): Four semesters Ontario College Diploma cambriancollege.ca/TOUR
	Animation (2 year) (ANIM): Four semesters Ontario College Diploma cambriancollege.ca/ANIM	
Program Changes:	<ul style="list-style-type: none"> Seats in the May intake for Cambrian's Powerline (PLTN) program have been distributed to September and January (there are now 36 seats per intake). The Protection, Security, and Investigation (PSIP) program now includes a placement in semester four. 	
What's New:	<ul style="list-style-type: none"> The Ontario Learn and Stay grant was renewed for September 2025 programs. Funding for tuition, books, and supplies for Practical Nursing (PNPD), Honours Bachelor of Science in Nursing (NURS), Medical Laboratory Technology (MDLY), and Paramedic (PARA). A virtual campus tour is now available for viewing at virtualtour.cambriancollege.ca/cambrian. 	

Admissions Information

Selection process for oversubscribed programs:	Program	# of Seats	Benchmarks
	Honours Bachelor of Science in Nursing (NURS)	96	75%
	Dental Hygiene (DHYG)	70	75%
	Medical Laboratory Technology (MDLY)	64	70%
	Medical Radiation Technology (MRPG)	35	85.5%
	Paramedic (PARA)	60	74%
	Powerline Technician (PLTN)	36	82%
Selection process for non-oversubscribed:	Open enrolment programs require that the applicant meets institutional requirements (OSSD or mature student status or equivalent) and the specific program requirements. If these are met, offers of admissions are made. Where any requirements are not yet met, conditional offers may be made. All conditions must be met before the start of classes.		

Grade 11 marks:	Grade 11 marks are used only when the admission requirement calls for either grade 11 <u>or</u> 12 marks. If the requirement is grade 12, the applicant's grade 11 marks would not be considered.
Dual credits/SHSM programs:	In partnership with the Rainbow District School Board and the Sudbury Catholic District School Board, Regional Planning Team 1 offers more than 25 different options for dual credits. For more information, please contact Diane Boyce by emailing diane.boyce@cambriancollege.ca.
Alternate offers of admission:	Applicants who do not meet the admission requirement(s) for a chosen program will receive an alternate offer, where eligible: Pre-Health Sciences Pathway to Advanced Diplomas and Degrees (PHPG) for health-related applicants and Pre-Trades/Technology (PRET) for technology-related applicants.
Supplemental admission req:	If there are additional admission requirements for an applicant's program of choice, they will be identified within myCambrian, the applicant's secure web portal.
Differentials:	We do not apply differentials/weights, as per Ministry requirements.
Workplace pathways:	Applicants with workplace-level English can apply to the Pre-Trades/Technology (PRET), General Arts and Science – Indigenous Specialization (GAIN), and General Arts and Science Certificate (GAPG) programs or pursue Academic Upgrading (UPGR).
Upgrading pathways:	Academic Upgrading (UPGR) and General Arts and Science – English for Academic Purposes (EAPP).
Post-graduate opportunities:	We offer 20+ graduate certificate programs and 750+ articulation agreements with universities for graduates to pursue degree opportunities. Information about graduate certificates can be found by visiting cambriancollege.ca/graduate-certificates.
Deferral policy:	We do not defer offers of admission and do not carry over waitlists from year to year.
International Student App.:	Information about international applications can be found by visiting cambriancollege.ca/admissions/international-admissions.
Students with disabilities:	The Glenn Crombie Centre promotes accessibility, counselling, and wellness for students at Cambrian College. Information can be found at cambriancollege.ca/supports-services/accessibility-services.

Scholarship & Financial Aid Information

Scholarships, bursary, awards app info & deadlines:	<ul style="list-style-type: none"> Nearly \$2,000,000 in scholarships and bursaries are awarded to students annually. Fall 2025 full-time students in the Honours Bachelor of Business Administration (HBBA), Bachelor of Business Administration (GBBA), and Honours Bachelor of Applied Psychology (HBAP) programs will receive a \$1,000 entrance scholarship. Students who maintain a grade point average of 75% could receive another \$1,000 in semester two. Learn more at cambriancollege.ca/scholarships. Students enrolling in skilled trades certificate and diploma programs could receive up to \$40,000 to help fund their education. Applications are due before May 30, 2025, to be eligible. Visit cambriancollege.ca/schulich for more information.
--	--

Athletics Information

Varsity teams:	We have men and women's varsity soccer, volleyball, badminton, and cross-country running.
Recreation teams:	We offer intramural sports, with different additions every year. Some of what we offer include slo-pitch, curling, basketball, 3-on-3 hockey, dodgeball, and cricket.

Residence Information

Residence options:	Students can check out residence and apply to two types of residences: two-bedroom dorms and six-bedroom townhouses. Students can apply at cambriancollege.ca/residence.

Institutional Information

Student Population:	30,000 students in full-time program with thousands more in part-time and apprenticeship studies
New Programs	Community and Child Studies Foundations: Now available for application through OCAS (Ontario Colleges Application Service). Community and Child Studies Foundations Previously only available as an alternate offer program. Fully Online Programs: Centennial now offers over 30 programs fully online. Graduate Certificate approves new name: Lifestyle Media – Content Creation Explore our updated list of certificates, foundation programs, diplomas, degrees and post-graduate certificate programs certificates Centennial College - Full-Time Programs
What's New:	Alienware Gaming Lounge- Fall 2025 Centennial is proud to launch our new Alienware gaming lounge that was graciously donated by partners. It has state of the art equipment for our interactive gaming and design programs. This unique student space acts as a recreational place for students to hang out and collaborate with classmates.

Admissions Information

Selection process for oversubscribed programs:	Highly competitive program applicants are ranked based on subjects required for admission. Offers are released on a rolling basis starting on November 1st. Applicants registered in second-semester courses required for admission will not be negatively impacted. Practical Nursing and Practical Nursing Flex: Minimum 12C, 75% each for English, Math, Biology and 1 additional science. Paramedic: Minimum 12C, 75 % each course for English, Math, Biology and 1 additional science. Four course average 90% or higher. These programs are highly competitive, meeting the minimum requirements does not guarantee admission into the program and scores change based on competition.
Selection process for non-oversubscribed programs:	For fall 2025 intake, offers of admission are sent on a rolling basis, beginning November 1, 2024 and continues until the program fills. We release offers of admission to every applicant who meets the program requirements. Applicants can access centennialcollege.ca/myApplication to check their application status. Students with Grade 12 Workplace English (ENG4E) may apply to Auto Body Repair

	Techniques , Motorcycle and PowerSports Product Repair Techniques , or Business Foundations .
Grade 11 marks:	Centennial considers Grade 12 marks; in instances where the Grade 12 course is in progress and midterm information are unavailable, we may issue a conditional offer based on final Grade 11 marks for math and sciences.
Dual credits/SHSM programs:	Higgen Li, SCWI Officer, hli@centennialcollege.ca Special consideration is not granted for Dual Credit or SHSM courses for admission. Some Dual Credit courses may be used as a transfer credit after beginning a program.
Alternate offers of admission:	If an applicant does not meet the requirements for their program, an alternate offer may be issued to a related program that suits the applicant based on their original program choice and grades submitted.
Supplemental admission requirements:	Supplemental requirements for programs (e.g., portfolios, writing samples or letters of reference) are required for some programs in media, communications, art and design programs. Communication regarding requirements is sent directly to the applicant.
Differentials:	We do not differentiate between C and U level courses for ranking.
Workplace pathways:	Centennial College offers workplace pathways to support career-focused learning. For details, please reach out to us directly
Upgrading pathways:	English for Academic Purposes ; General Arts ; Liberal Arts Pathway to University ; Tuition-free: Academic and Career Entrance (ACE) and Career and College Transition programs .
Post-graduate Opportunities:	Centennial offers over 30 Graduate Certificate programs in Business, Hospitality, Tourism and Culinary Arts, Engineering Technology, Communications, Media, Arts and Design or Community Services and Health Sciences.
Deferral policy:	Centennial does not defer offers of admission. Applicants who wish to change their start date must do so through ontariocolleges.ca .
Students with disabilities:	Centennial provides accommodation support for applicants and students through the Centre for Accessible Learning and Counselling Services (CALCS) . Applicants requesting support through the admission process should connect with CALCS as soon as possible. Admitted students should contact CALCS once they accept their offer. Learners should bring all documentation, including Individual Education Plans. Learn more at centennialcollege.ca/accessible-learning , or contact calcs@centennialcollege.ca .

Scholarship and Financial Aid Information

Scholarships, bursary and awards application information and deadlines:	Each year, Centennial distributes over \$6 million in scholarships, bursaries, and awards. Once accepted, students are asked to complete the <i>Doorway to Dollars</i> questionnaire. Students will then receive emails informing them of scholarships and bursaries they are eligible to apply for. Learn more at centennialcollege.ca/financial-aid Schulich Builders: Skilled Trades Scholarship at Centennial College Centennial College offers 10 scholarships of up to \$40,000 for students enrolling in eligible skilled trades programs. Funding covers tuition, living expenses, and tools. Apply by June 30, 2025. Schulich Builders: Scholarships for Skilled Trades

Institutional Information

Student Population:	32,000+ Registered Students
New Programs:	New Degrees: Bachelor of Animation - 3-year degree, Bachelor of Community Mental Health and Wellness (Honours) - 4-year degree, Bachelor of Data Analytics - 3-year degree, Bachelor of Digital Technology Solutions (Honours) - 4-year degree, Bachelor of Emergency Management (Honours) - 4-year degree, Bachelor of Hospitality Management - 3-year degree, Bachelor of Risk, Threat and Crime Analysis (Honours) - 4-year degree New Diplomas (2 years): Commercial Flight Operations, Community and Justice Services, Urban Planning and GIS, Veterinary Technician New Certificates (1 year): Business Fundamentals - Banking & Financial Services, Commercial Helicopter Foundations, Community Pharmacy Assistant, Data Processing and Reporting, Drafting and Design for Additive Manufacturing, Medical Laboratory Assistant/Technician, Pet Grooming, Veterinary Assistant
Program Changes:	Degree Entrance Scholarships: Conestoga now offers degree entrance scholarships. These scholarships are awarded to students accepted into their first term of eligible degree programs with an average of at least 70%. The award breakdown is as follows: Admission Grade 70-79 , Scholarship Award = \$1,500 , Admission Grade 80-89 , Scholarship Award = \$2,000 , Admission Grade 90-100 , Scholarship Award = \$2,500

Admissions Information

Selection process for oversubscribed programs:	Fall 2025 Cut-Off Marks: Bachelor of Science - Nursing – 82% , Carpentry & Renovation Technician – 68% , Commercial Flight Operations – 94.33% , Construction Techniques – Carpentry – 68% , Construction Techniques (Multi-Trade) – 75% , Electrical Technician – Industrial – 75% , Electrical Techniques – 70% , Heating, Refrigeration & AC (HRAC) – 88% , Medical Laboratory Assistant – 90% , Medical Laboratory Science – 99% , Paramedic – 85% , Pharmacy Technician – 65% , Powerline Technician – 75% , Practical Nursing (Doon) – 88.33% , Practical Nursing (Waterloo) – 87% , Pre-Service Firefighter – 80% , Respiratory Therapy – 85% , Veterinary Assistant – 80% , Veterinary Technician – 94%
Selection process for non-oversubscribed programs:	Varies depending on the program. Some programs have minimum admission averages and some programs require supplemental admission information.
Grade 11 marks:	Where the minimum subject requirement is Gr. 12, Gr. 11 marks in required subjects may be used in the calculation of academic strength for those applicants currently enrolled in the required subjects. In such cases, any offers of admission would be conditional upon the successful completion of the required Gr. 12 course and the final grade in that course.

Dual credits/SHSM programs:	Conestoga College, in partnership with School College Work Initiative and eleven area school boards, offers a variety of dual credit courses and OYAP level 1 programs. SHSM reach ahead, experiential learning activities and workshops are available. For more information contact Rosie Hessian Chair, School of Interdisciplinary Studies at: rhessian@conestogac.on.ca .
Alternate offers of admission:	Alternate offers of admission: Where possible, alternate offers of admission will be made to programs similar in nature to the original program and for which applicants meet admission requirements.
Supplemental admission requirements:	Depends on the program and may include mandatory information meetings, portfolios, interviews, resumes and/or questionnaires. Details about these requirements can be found online on the program page.
Differentials:	For all certificate, diploma and advanced diploma programs, secondary school marks for required courses will be awarded a 10-mark bonus as follows: Any U Level, any U/C or M level, any courses at the advanced level from the old curriculum – Advanced Level OAC. Note: differentials will NOT be applied to academic strength calculations for any degree or graduate certificate programs.
Workplace pathways:	Conestoga offers programs that require an OSSD or equivalent with no specific course requirements. These include: Business Fundamentals, Food Service Worker, Bartending, Bookkeeping, Construction Techniques (multi trade), Brick & Stone Fundamentals and Community Integration through Co-Op
Upgrading pathways:	Academic Upgrading and Preparatory Programs provide individuals, with and without their high school diploma (or equivalency), the opportunity to complete the required admission/prerequisite courses for entry into certificate and diploma programs. Free programming is available based on eligibility. Contact them at: upgrading@conestogac.on.ca
Post-graduate Opportunities:	Agreements between Conestoga College and other post-secondary institutions are listed on this link: conestogac.on.ca/credit-transfer/agreement
Students with disabilities:	Conestoga provides support for students with permanent and temporary disabilities. Staff work with students to develop a success plan that considers the academic and testing accommodations available to support the student's full participation in Conestoga life. Studentsuccess.conestogac.on.ca/myLearning/AcademicAndTestingAccommodations

Scholarship & Financial Aid Information

Scholarships, bursary & awards application information and deadlines:	We make it very easy for students to apply for awards, bursaries and scholarships. Student Financial Services provides students with one online application, which they complete in the first month of the fall and winter semester to be considered for most of Conestoga's awards, bursaries and scholarships. Availability and deadlines are emailed to each student. Degree entrance scholarship information above

Institutional Information

Student Population:	Over 13,700+ full-time post-secondary students and 2,300+ apprentices.
New Programs:	Electric Drive Vehicle Technician Diploma, Environmental Technician Diploma, Immigration Case Management – Graduate Certificate, Interior Decorating Diploma. View the full list here: durhamcollege.ca/new-programs
Program Changes:	Law Clerk changed from 3 years to a 2-year diploma. Office Administration (General, Executive and Health Services) is now offered fully online.
What's New:	Pre-Admission testing is offered for 19+ applicants that require Grade 12 English or Math. durhamcollege.ca/admissions/pre-admission-assessment-testing-for-domestic-applicants DC Graduates from an Engineering Technology advanced diploma can transfer into an upper year of the civil, mining, mechanical, or chemical degree programs offered by Smith Engineering at Queen's University

Admissions Information

Selection process for oversubscribed programs:	Admission is based on the average of four prerequisite senior-level (grade 11 and grade 12) subjects at the C, M, or U levels, excluding co-op, and any other admission requirements noted on the program page. Please see our website for details durhamcollege.ca/admissions/admission-process Competitive programs include; Dental Hygiene, Plumbing, Occupational Therapist Assistant and Physiotherapist Assistant, Practical Nursing, and Paramedic.
Selection process for non-oversubscribed:	Applications received by February 1 st will receive equal consideration. Afterwards, all applications will be considered on a first-come, first-serve basis. Applications are evaluated based on admission requirements. Qualified applicants to non-competitive programs may receive offers of admission as soon as November 1, 2025, for the 2026/2027 academic year.
Grade 11 marks:	If grade 12 marks are not available because a student is either currently completing or is registered for a grade 12 prerequisite subject, the grade 11 mark for the same subject will be used. If a grade 11 chemistry mark is unavailable, the average final chemistry mark from the previous year's qualified applicant pool for the same program will be used for ranking.

Dual credits/SHSM programs:	Dual credits are considered for credit transfer. SHSM credits are not considered in the admission/selection process
Alternate offers of admission:	Applicants who do not receive an offer to their program of choice should contact the Student Recruitment office at durhamcollege.ca/student-recruitment
Supplemental admission req:	Additional requirements can include testing, a portfolio submission, a questionnaire, an interview, etc. Please see the program page for details.
Differentials:	Durham College does not apply differentials to C, M, or U-level credits.
Workplace pathways:	Prerequisite subjects required for admission to DC must be at the C, M, or U levels.
Upgrading pathways:	For applicants 19 and older Academic Upgrading is available at durhamcollege.ca/academic-upgrading Durham College offers Foundation programs in all areas of study. We also offer a variety of General Arts and Science and Pre-Health Sciences Pathway options: durhamcollege.ca/academic-faculties/faculty-of-liberal-studies durhamcollege.ca/academic-faculties/faculty-of-health-sciences
Post-graduate opportunities:	Durham College offers many graduate certificate programs: durhamcollege.ca/grad For more information about diploma-to-degree options and pathways from Durham College visit: durhamcollege.ca/transferguide
Deferral policy:	Durham College does not have a deferral policy. Students may re-apply for consideration for a subsequent intake.

A limited number of offers may be sent to exceptionally qualified applicants beginning November 1st, with most offers being sent after February 1st. 2024 Admission Averages for Over-Subscribed Programs Paramedic - 85% Practical Nursing - 80%
---	--

Selection Process for non-oversubscribed:	Selection is based on the applicant achieving, or progressing towards, the achievement of the programs minimum admission requirements. Conditional offers will be sent on a rolling basis after November 1 st based on GPA. Applications received after the February 1 st equal consideration deadline will be reviewed on a first come first serve basis. Programs will continue to accept applications after February 1 st , based on seat availability.
Grade 11 marks:	Grade 11 marks are only used when they are part of the minimum admission requirements. In a situation where the requirement is a Grade 11 <u>or</u> Grade 12, we will take into account the grade that best represents the student.
Dual credits/ SHSM programs:	Dual credits earned either through Fleming or other colleges may be credited toward diploma or certificate programs. No preferential selection is given to SHSM graduates.
Alternate Offers of Admission:	Alternate offers are extended to related programs for applicants to over-subscribed programs, who meet admission requirements for the alternate program.
Supplemental Admission Requirements:	Paramedic: Qualified applicants will be sent specific instructions on how to complete an ePortfolio - outlining experience with: work, driving, community involvement, education, awards, physical readiness, and mental readiness.
Differentials:	No differentials for C, M, or U level courses.
Workplace Pathways:	Programs that lead to careers for Workplace (E) Graduates: Blasting Techniques (SBL), Hairstyling (HST), Heavy Equipment Operator (HEO), Mechanical Techniques - Plumbing (PLM), Motive Power Technician - Recreational and Sport Vehicles (Co-op & Non Co-op)(RVC/RVT), Personal Support Worker (PWS/ PWF), Trade Fundamentals (TTF). <i>*OLC 40 meets the English Requirement.</i>
Upgrading Pathways:	Academic upgrading available with continuous intakes. Visit flemingcollege.ca/academic-upgrading to learn more.
Post-graduate Opportunities:	15 Graduate Certificate programs and hundreds of University and College transfer agreements.
Deferral Policy:	Students must re-apply through ontariocolleges.ca for another intake. Applications fees on ontariocolleges.ca are subject to change.
International Student Applications:	Application to be submitted through ontariocolleges.ca - International Application.
Students with Disabilities:	The First at Fleming program designed to support students with the transition from high school to post-secondary and introduce students to the services available to them. Contact CAES@flemingcollege.ca for more information.

What's New:	New for Fall 2025: Limberlost Place, our new 10-storey, tall wood, net zero building will be open for Fall semester, 2025. Our Architecture programs will now be located in this new space which is part of our Waterfront campus.
Admissions Information	
Selection process for oversubscribed programs:	Applicants are ranked based upon required credits (grades or test scores where applicable) and any supplementary requirements (if applicable). Grades or GPA required to receive an offer of admission varies year to year depending on the applicant pool. The equal consideration date for competitive programs is February 1 st (equal consideration deadline).
Selection process for non-oversubscribed programs:	Offers of admission for non-oversubscribed programs are issued at the beginning of November. Applicants are evaluated based on the required credits and any supplementary requirements (if applicable).
Grade 11 marks:	Grade 11 C or U marks may be used to receive a conditional offer of admission in certain programs, while applicants are completing Grade 12.
Dual credits/SHSM programs:	George Brown does not give any advantage to applicants with Dual Credits or Specialist High Skills Majors (SHSM) in making admissions decisions.
Alternate offers of admission:	Applicants who do not meet the program admission requirements or are not competitive enough may receive an "Alternate Offer" of admission to a related or Foundation-level program.
Supplemental admission requirements:	Some programs require a letter of intent, interview, portfolio, audition, etc. Academic Departments will issue notification to applicants regarding supplemental admission requirements. See individual program admission requirements for details at georgebrown.ca/programs
Differentials:	George Brown does not use grade differentials.

Workplace pathways:	College Vocational Program accepts students from "Workplace" programs. Learn more about School of Work and College Preparation programs at georgebrown.ca/preparation/programs .
Upgrading pathways:	Academic Upgrading is available for Mature Students. High school students are not eligible for Academic Upgrading. georgebrown.ca/preparation/programs .
Deferral policy:	George Brown does not defer Offers of Admission. Apply in the year and term you are able to attend.
Post-graduate Opportunities:	A diploma or degree is an admission requirement for most Postgraduate programs. Some programs also have a work experience requirement. georgebrown.ca/postgrad/
Students with disabilities:	Students who have a permanent or temporary disability or who suspect they have a disability and are awaiting an assessment are eligible to receive academic accommodations from Accessible Learning Services. Accommodations may include but are not limited to: extra time and use of a computer to write a test, note-taking assistance in class and negotiated extensions for assignments. To register, fill out our confidential intake form and submit it to our office along with supporting documentation for your disability or disabilities. http://www.georgebrown.ca/accessible-learning-services/ or contact us at letstalk@georgebrown.ca .

Institutional Information

Student Population:	13,544 full-time students, including 7,000 international students from 123 countries
New Programs:	Visit: georgiancollege.ca/academics/new-programs <ul style="list-style-type: none"> Honours Bachelor of Science - Nursing (4 year degree) Honours Bachelor of Science – Nursing RPN to BScN Advanced Standing (Bridge) Honours Bachelor of Industrial Design (4 year degree) Business – Agriculture (2 year diploma) Medical Laboratory Technology (2 year diploma) College Foundations (1 year certificate)
What's New:	<ul style="list-style-type: none"> The 1st Ontario college to launch near real-time admissions in partnership with OCAS. Launched MyGCLife, a new one-stop, self-serve portal designed to enhance student experience! You can find answers to service-related questions faster, connect with student services, and track inquiries and tickets – all from ONE platform. GC Flex program delivery: Attend class in-person, synchronous or asynchronous online One of the 1st Canadian colleges to team up with global technology giant Meta to advance the development of Intelligent Tutoring Systems (ITS) using Generative AI (GenAI) and extended reality (XR).

Admissions Information

Selection process for oversubscribed programs:	Applicants are ranked using academic grades and other selection tools such as resumés, etc. Once the desired number of offers have been reached through rounds of offers, only qualified applicants may be placed on a waiting list.
Selection process for non-oversubscribed programs:	Applicants are ranked based on academic grades. Once the desired number of offers have been reached, qualified applicants are placed on a waiting list.
Grade 11 marks:	Some programs will accept a Grade 11 Biology or Chemistry as part of the admission requirement. Some programs will accept Grade 11 math with a minimum grade of 60%. For programs requiring Grade 12 courses, and if a Grade 11 final grade has been provided, we may use the Grade 11 mark as an estimate until a mid-term or final grade for the Grade 12 course is received. It is always recommended that students challenge themselves in high school and complete the highest levels of a subject to better prepare for success in college.

Dual credits/SHSM programs:	Dual Credits and SHSM courses are not given extra consideration for admission. However, Dual Credits may be considered for exemption/credit transfer opportunities.
Alternate offers of admission:	Georgian will identify whether programs have a winter or summer intake and provide alternative offers if possible. If there are no alternative intakes, we offer preparatory programs such as Pre-Health Sciences for our health programs or other programs of interest.
Supplemental admission requirements:	See individual program web pages for information about G2 driver's licence, First Aid, CPR, immunization requirements, Police Vulnerable Sector Check, portfolios and all other non-academic requirements.
Differentials:	Georgian does not use grade differentials for C, M or U level courses, except for our Paramedic diploma program applicants.
Workplace pathways:	Workplace credits may be considered as part of an application to the Community Integration through Co-operative Education (CICE) program. Applicants who have workplace levels in required courses will be counselled to pursue academic upgrading through Georgian's free Academic and Career Preparation program. ENG4E is now accepted in meeting admissions requirements for College Foundations (certificate) and General Arts & Science – Liberal Studies (certificate and diploma) programs starting Fall 2025 intakes.
Upgrading pathways:	Applicants taking upgrading can apply to all certificate, diploma and degree programs. Once enrolled, students can apply for free to future pathway programs offered at Georgian.
Post-graduate Opportunities:	Georgian offers several graduate certificates – diploma and degree holders can fast-track into the workplace in just nine to twelve months.
Deferral policy:	Offers of admission and waiting lists are valid for the current term only. Deferrals are not available.
International student application process:	Visit: georgiancollege.ca/international/admissions/#learn-how-to-apply
Students with disabilities:	Accessibility Services – Visit: GeorgianCollege.ca/accessibility

Institutional Information

Student Population:	Humber is one of Canada's largest Polytechnics, offering more than 200 full-time programs in 17 areas of interest and 6 Academic Faculties. There are more than 86,000 learners and we receive more than 135,500 full-time program applications annually.
New Programs:	You may find a complete list of our program offerings (including new programs) here: https://humber.ca/search/full-time.html
Program Changes:	Effective fall 2025 our General Arts and Science - College Transfer Ontario College Certificate , offered at both the North and Lakeshore campuses, is now accepting Grade 12 English ENG4E (Workplace Preparation English), in addition to ENG4C, ENG4U, or an equivalent, to meet the admission requirements. Note, post-admission testing in writing and basic mathematics is required. Applicants may be counselled into an alternative choice based on test results.
What's New:	In August 2024, Humber announced its transformation from Humber College to Humber Polytechnic. Humber will lead the definition, discover, value and possibilities of polytechnic education over the next decade.

Admissions Information

Selection process for oversubscribed programs:	Applicants are ranked based upon grades/test scores and additional requirements. Offers of admissions & Grade Point Average (GPA) requirements vary from year to year depending on the current applicant pool. For programs with a September start, applications to highly competitive programs must be received by the February 1st equal consideration deadline. Applications received after February 1st will only be considered if space permits.
Selection process for non-oversubscribed:	For programs with a September start, Humber may begin sending early offers of admissions to eligible students beginning in November for programs beginning the following September. Offers will continue to be issued until programs are waitlisted or full.
Grade 11 marks:	Grade 11 marks may be used to evaluate applications and issue conditional offers. For degree-level programs, Grade 11 marks may serve as placeholders for incomplete or ongoing Grade 12 courses. For certificate or diploma programs, grade 11 marks may be used as elective courses and used for GPA calculation.
Dual credits/SHSM programs:	Humber Dual Credits: humber.ca/dualcredit Dual Credit Contact: dualcredit@humber.ca

Alternate offers of admission:	If an applicant does not meet the requirements to their program of choice, applicants may receive alternate offers to related or preparatory programs.
Supplemental admission req:	If a program has an additional requirement, apart from academic assessment, this will be outlined on the admission requirements for that particular program. Depending on the program additional requirements may be comprised of a portfolio, a resume, an audition, etc.
Differentials:	Humber does not use grade differentials for admission purposes.
Workplace pathways:	Humber will only review courses at the C, M, or U level with the exception of ENG4E which may be used to fulfill the English requirement for the General Arts and Science - College Transfer Ontario College Certificate .
Upgrading pathways:	Humber offers numerous upgrading pathways for students including foundation programs such as Arts, Design and Media; General Arts and Science programs in areas such as College or University Transfer, Health Sciences and Technology. Visit humber.ca/transferrin for further information. We offer a range of pre-apprenticeship programs including Electrical, Plumbing, Welding and Mechanical Techniques – Millwright. Please see humber.ca/pre-apprenticeships for further information.
Post-graduate opportunities:	Humber offers more than 50 industry-focused Ontario Graduate Certificates. Many of our Ontario Graduate Certificates now have pathways into master's level programs at our various partner institutions. Contact transferoptions@humber.ca for more information.
Deferral policy:	Humber does not defer admissions offers. Students must update their OCAS application for future intakes in the same academic year or re-apply to a future academic year.
International Student App:	Website: humber.ca/international · Contact: humber.ca/international/contact
Students with disabilities:	Humber's Accessible Learning Services facilitates equal access for students with disabilities by coordinating academic accommodations and services. Website: https://humber.ca/student-life/swac/accessible-learning . Visit also wegotyoub.humber.ca for more information on other services and support for students.

Scholarship & Financial Aid Information

Program Changes:	Review the status of program availability for upcoming intakes: loyalistcollege.com/programs

What's New:	<ul style="list-style-type: none"> • Loyalist College partnered with Prince Edward County to launch new transit options for students in health care programs, ensuring improved access to experiential learning opportunities. • Loyalist celebrated the grand opening of its Port Hope campus in Sept. 2024. • Loyalist's Centre for Natural Products received a \$1.75M NSERC grant to renew its Technology Access Centre (TAC) status, expanding research capacity to advance innovation, sustainability and economic growth in the natural products sector. • Loyalist launched the co-curricular record (CCR), a verified record of a student's co-curricular achievements beyond the classroom. It highlights skills like leadership, teamwork and communication, adding value when applying for jobs, internships or further education. <p>Campus upgrades and capital renovations at the Belleville campus:</p> <ul style="list-style-type: none"> • Loyalist completed a CFL-sized field and new outdoor sportsplex with stadium seating. • A new, expanded Indigenous Centre is currently under construction. • Loyalist's new entrance and athletics facilities initiative, which is currently underway, includes a series of multi-year investments to upgrade campus facilities and meet the needs of our growing community. <p>Learn more about current and completed infrastructure projects: loyalistcollege.com/infrastructure</p>
--------------------	---

Admissions Information

Selection process for oversubscribed programs:	An applicant must first meet the minimum required grade(s) in each of a program's courses required for admission and then be ranked by an overall average in these courses and any other courses specified. Additional OSSD credits and overall GPA are not calculated during the ranking. In the event that the required credits are in progress, the Admissions team may refer to the applicant's relevant Grade 11 mark. Meeting the minimum admission requirements does not guarantee admission.
Selection process for non-oversubscribed programs:	All qualified applicants who apply before Feb. 1 are issued an offer. Qualified applicants who submit applications after Feb. 1 will receive offers on a first-come, first-served basis.

Grade 11 marks:	For non-oversubscribed programs, Grade 11 marks are not evaluated during the application process unless the credit is a specific requirement of a program.
Dual credits/SHSM programs:	Loyalist offers multiple programs under the SCWI umbrella, including Taste of College activity days, SHSM certifications, OYAP opportunities, SWAC programs, and dozens of Dual Credit course offerings. These initiatives vary by location to meet the unique needs of our partner school boards from Kingston to Oshawa and from Picton to Bancroft. Learn more: loyalistcollege.com/scwi
Alternate offers of admission:	Students who do not meet the minimum admission requirements for a desired program, or who are waitlisted for an over-subscribed program, are issued an alternate offer to a similar program for which they qualify.
Supplemental program requirements:	Non-academic requirements may be required. Requirements may include portfolios, criminal record checks, driver's licences, immunization records, CPR and first aid, and anaphylaxis certificates.
Differentials:	C, M, U credits are all weighted equally where applicable. Nursing – Honours Bachelor of Science degree program applicants must possess the required U and M level credits.
Workplace pathways:	Loyalist offers Community Integration Through Co-operative Education (CICE), College Technology and Trade Preparation, and General Arts and Science – Workplace. Academic upgrading is available through the Career and College Prep program.
Upgrading pathways:	Certain conditions may allow applicants to gain admission to their desired program by completing our Career and College Prep program or by successfully completing the Mature Applicant Pre-Entry Test.
Post-graduate opportunities:	Please visit loyalistcollege.com/postgrad for a list of post-graduate programs, including Advanced Filmmaking – Digital Content Creation, Artificial Intelligence and Data Science, Human Resources Management, and Supply Chain Management – Global Logistics, among others.
Deferral policy:	N/A
International student application process:	International applicants can apply with a Loyalist College International Agent Partner or by submitting a direct application through the ontariocolleges.ca International Application Service (IAS).
Students with disabilities:	AccessAbility Services provides individualized support and accommodations to students with documented disabilities. Services are free, voluntary and confidential. We work with students who have an Individual Educational Plan (IEP) in secondary school and students who receive community support. Students are encouraged to contact AccessAbility Services well before attending college to discuss possible accommodations. Students should expect to provide copies of their documentation, such as an IEP, psychological, psychoeducational, and neuropsychological assessments; documents are not automatically sent to Loyalist College. Learn more: loyalistcollege.com/accessibility

Scholarship and Financial Aid Information

Scholarships, bursary and awards application information and deadlines:	<ul style="list-style-type: none"> • The Financial Aid team can help students access a range of government funding, including OSAP, the Ontario Learn and Stay Grant (OLSG), entrance bursaries, the Ontario Indigenous Bursary, Ontario First Generation Bursaries, Ontario Remembrance Scholarship, Ontario-Ukraine Solidarity Scholarship, and more. • Loyalist also offers over 200 donor-supported awards, scholarships and bursaries. To apply, students complete one detailed application each year which is used to assess their eligibility for donor-supported offerings. <p>Learn more: loyalistcollege.com/payingforcollege</p>
--	---

Athletics Information

Varsity teams:	The Loyalist Lancers are members of the Ontario Colleges Athletic Association (OCAA) and compete in basketball, cross country, volleyball, women's rugby 7s and women's soccer. Institutional Information	
Student Population:	Mohawk College delivers quality education to more than 34,600 full-time, part-time and apprenticeship students, 431 Indigenous students, and 7,730 international students from 100 countries.
New Programs:	Applied Artificial Intelligence - 565; Building Information Modelling - 512; Magnetic Resonance Imaging - 769; Radiography - Medical Radiation Sciences - 740; Ultrasonography - Medical Radiation Sciences - 750
Program Changes:	Name Change: Computer Systems Technology – Network Engineering and Security Analyst is now renamed to Computer Systems Technology – Network Administration and Cybersecurity - 585 for Fall 2025
What's New:	The new Centre for Integrated and Advanced Medical Imaging (CIAMI) located at Mohawk's IAHS campus. Developed through a partnership with Mohawk, McMaster, Hamilton Health Sciences, and St Joseph's Healthcare – this joint purchase of MRI and the creation of CIAMI will provide game changing opportunities for students and offer a novel approach to community patient care. CIAMI includes a newly installed GE Healthcare Signa 3T advanced MRI suite, only the second of its kind in Canada. 10 Mohawk College students are among the recipients of scholarships of \$20,000-40,000 from the prestigious Schulich Builders Scholarship for Skilled Trades. Mohawk's transformational Climate Action Plan sets a net-zero target for 2035, along with advancing sustainability within student learning and applied research.
Admissions Information	
Selection process for oversubscribed programs:	Eligible applicants to oversubscribed programs, who have applied before the Equal Consideration Date (Feb 1), are ranked by grades of required courses. We do not publish cut-off scores for these programs as they are determined based on the applicant pool and vary year to year.
Selection process for non-oversubscribed programs:	All eligible applicants who have applied before the Equal Consideration Date (Feb 1) receive an offer of admission.
Grade 11 marks:	When an applicant does not have a midterm or final grade for their Grade 12 requirement(s), we will consider their Grade 11 final grade as a placeholder midterm for Grade 12, when ranking for competitive programs only.
Dual credits/SHSM programs:	Child and Youth Care, Graphic Design, Welding, Media, Automotive, Communications, and Indigenous Studies complement the existing General Education, ESL, Computer Science, Photography, Skilled Trades, and OYAP programs offered on campus and in secondary schools throughout the Golden Horseshoe and Haldimand-Brant communities. Visit mohawkcollege.ca/DualCredit
Alternate offers of admission:	Applicants to waitlisted programs, and applicants not eligible to their program of choice who are not pursuing upgrading or testing options, may be sent an alternative offer for a related program.

Supplemental admission requirements:	Additional selection criteria may be used for oversubscribed programs. Examples are portfolios, interviews, resumés, auditions, questionnaires, testing etc.
Differentials:	Information on how C, M or U level courses are considered as part of our admissions process: As per the Ministry's Binding Policy Directive, all C, M or U level courses are considered equally for the purpose of admissions decisions except in instances of degree programs where specific combinations of M or U level courses are required.
Workplace pathways:	Art & Design Foundations (270), Career Pathways (361), Construction Techniques (452), Construction Techniques – Plumbing (584), Mechanical Techniques (Welding and Fabrication) (574), Visit mohawkcollege.ca
Upgrading pathways:	Opportunities exist through Continuing Education mohawkcollege.ca/CE For English as a Second Language applicants, we offer General Arts & Science- English for Academic Purposes and Programs for Newcomers funded by Immigration, Refugees and Citizenship Canada mohawkcollege.ca/newcomers
Post-graduate Opportunities:	Mohawk offers a number of graduate programs. Visit mohawkcollege.ca/GradStudies including newer programs such as Magnetic Resonance Imaging - 769
Deferral policy:	n/a
International student application process:	With students from around the world enjoying the wide range of programs and services offered, you'll find Mohawk College is truly an exceptional education destination. Visit mohawkcollege.ca/international-students to learn more.
Students with disabilities:	Mohawk has a comprehensive Accessible Learning Services department to support academic accommodations, assistive technology, alternate format, and learning skills for students with disabilities. Visit mohawkcollege.ca/accessible-learning-services Questions? email als@mohawkcollege.ca or Phone 905-575-2122
Scholarship & Financial Aid Information	
Scholarships, bursary and awards application information and deadlines:	Mohawk College has always offered an affordable education, giving students access to more than \$3 million in Mohawk College bursaries, and Ministry-partnered bursaries and scholarships to help meet our students' financial needs. Each semester, complete your Scholarships and Bursaries Application to be considered for all the awards, bursaries and scholarships available through Mohawk College. The application opens prior to the start of every semester at mohawkcollege.ca/awards The Mo' Money Financial Literacy Resource Centre supports students in becoming more confident with their finances. Whether saving for school, making a budget, or planning for a major purchase we can help. Visit us any time at mohawkcollege.ca/momoney
Athletics Information	
Varsity teams:	The Mohawk Mountaineer varsity programs are defined by a culture of high-performance, offering 10 competitive sports teams. Visit mohawkmountaineers.com for more.
Recreational Opportunities:	The David Braley Athletic & Recreation Centre boasts a fitness centre, with 20,000 sq. ft. and a triple gymnasium, that provides opportunities for extramural, intramural, and drop-in activities for all. Visit mohawkmountaineers.com for details.
Residence Information	
Residence options:	Residence applications open on February 3 rd each year. Residence provides an excellent opportunity for students to live in a community and build lasting friendships. Spaces are limited, applications are accepted on a first-come, first-served basis. A non-refundable application fee of \$100 is due with application. Students cancelling their applications must do so before June 15th to avoid cancellation penalties. Visit mohawkresidence.ca and click the 'Apply Now' on the main page to get started.

Institutional Information	
Student Population:	Over 10,000 full-time students
New Programs:	Project Management (Graduate Certificate)
Program Changes:	Dental Office Administration, Pre-Community Services, Pre-Health Sciences Pathways to Certificates and Diplomas and Pre-Health Sciences Pathway to Advanced Diplomas and Degrees are now also available as fully online programs. Program Availability is available at niagaracollege.ca/status
What's New:	<ul style="list-style-type: none"> Preferred admission bonuses for select Niagara College Preparatory Programs to related health and community service programs. Details available at niagaracollege.ca/pathways, including new pathway for Dental Office Administration to Dental Assisting. Indigenous Admissions Pathway process (helps give equitable access to Indigenous applicants). niagaracollege.ca/indigenouseducation/apply New program options for Workplace English (ENG4E). See Workplace Pathways section below.
Admissions Information	
Selection process for oversubscribed programs:	For competitive programs, applications received on or before the application deadlines are equally considered, based on published admission requirements and residency priority. Selection is based on the average of final grades in all required courses and, if required, pre-admission test or portfolio scores. Course averages are based on the highest final grade available at the time of evaluation. Mid-term grades are not considered for competitive programs; however, grade 11 final grades are considered where the required grade 12 course is in progress. For detailed Pre-Admission Requirements and important dates visit niagaracollege.ca/par Detailed information, cut off scores and examples on admission decisions are available at niagaracollege.ca/enrolmentservices/admissions/decisions/
Selection process for non-oversubscribed programs:	Applications to open programs are evaluated based on published admission requirements. Acceptances are issued upon receiving admission requirements and continue to be issued until the program reaches capacity.
Grade 11 marks:	Grade 11 final grades are considered where the required grade 12 course is in progress. Example: When an applicant is enrolled in a required grade 12 English (and has no previous final mark for grade 12 English) evaluation will be based on the final mark for grade 11 English. Offers of admission granted in this circumstance will be conditional upon successful completion of the required grade 12 English.
Dual credits/SHSM programs:	Dual credits and SHSM courses are not given extra consideration for admission. However, Dual Credits may be considered for exemption/transfer credit opportunities.

	SHSM Scholarship: Niagara College offers a \$1,000 Specialist High Skills Major Scholarship for eligible applicants applying for admission into an identified related Niagara College program. For details visit: niagaracollege.ca/shsm
Alternate offers of admission:	Alternate offers of admission may be issued to related or preparatory programs. Applicants with E level English will be considered for an alternate offer to General Arts and Science – College Exploration and Pre-Community. Applicants are encouraged to contact Admissions to discuss alternate program options.
Supplemental admission requirements:	We refer to supplemental admission requirements as Pre-Admission Requirements. Additional fees may apply. For detailed Pre-Admission Requirements and important dates visit: niagaracollege.ca/par
Differentials:	Niagara College does not differentiate between C, M or U level courses.
Workplace pathways:	Students with Grade 12 Workplace English (ENG4E) may apply to Art and Design Foundation, Culinary Skills, General Arts and Science – College Exploration, Pre-Community Services and Community Integration through Co-Operative Education (CICE) as well as Motive Power Techniques (Grade 11 C Math is also required for Motive Power Techniques). Workplace credits may also be considered on an individual basis for admission to some preparatory certificate programs or as part of admission to the Community Integration through Continuing Education (CICE) program.
Upgrading pathways:	Preparatory Certificate programs are offered in Pre-Health, Pre-Community, and College Exploration. The Academic and Career Entrance (ACE) certificate program is available for candidates who are at least 19 years of age and do not have the required courses for admission. For details, visit: niagaracollege.ca/ace
Post-graduate Opportunities:	Graduate Certificate programs are offered at Niagara College. Niagara College also offers pathways to other degrees and diplomas at both Niagara College and other institutions. To review established pathways, visit: niagaracollege.ca/pathways
Deferral policy:	Offers of admission and waiting lists are valid for the current term only. Deferrals are considered on an individual basis when documentation (e.g., medical note) is provided.
International student application process:	For inquiries regarding the international student application process, visit niagaracollege.ca/international
Students with disabilities:	Health, Wellness & Accessibility Services Welland Campus: 905-735-2211 ext. 7778/7635 Niagara-on-the-Lake Campus: 905-641-2252 ext. 4408/4449 For types of support and accommodations visit: niagaracollege.ca/hwas
Scholarship & Financial Aid Information	
Scholarships, bursary and awards application information and deadlines:	Niagara College offers over \$1.5 million in scholarships and bursaries each year. We continue to offer Specialist High Skills Major scholarships, Entrance Bursaries, and a variety of donor funded scholarships and bursaries. What's New:	Multi-Sport Dome to be Open Spring/Summer of 2026 at our Timmins Campus. 125,000 sq. ft dome, with 6,500 sq. ft. attached clubhouse.

Admissions Information

Selection process for oversubscribed programs:	Varies from year to year, only minimum requirements are published. However, the cut off for highly competitive programs is higher than the minimum requirement issued. Highly competitive programs are programs that receive more applications than seats available in the program. As a result, applications received by February 1st are ranked in order of priority according to highest academic achievement in the admission requirements published for the program. After the February 1st equal consideration date, applications are waitlisted should seats become available in the program.
Selection process for non-oversubscribed:	Must meet minimum admissions requirements or be in the process of obtaining admission course requirements to receive a conditional offer. Proof of registration in high school courses or upgrading is required. Applicants continue to be assessed until September, or until the program cap is reached and then a waitlist is created.

Grade 11 marks:	Admissions may use marks from Grade 11 for students in highly competitive programs where Admissions does not have Grade 12 marks to base their offer. However, we recommend that applicants, if possible, try to have Grade 12 requirement course(s) for a highly competitive program completed in the first semester of their last year to be more competitive in the process.
Dual credits/SHSM programs:	Dual credits would be looked at for credit exemption. List of dual credit programs available upon request.
Alternate offers of admission:	Applicants that do not meet admission requirements for selected programs may be provided an alternative offer where they do meet the admission requirements, dependent on availability of seats in any given program.
Supplemental admission req:	No supplemental admission testing. Students may require First Aid, CPR, Immunization records, police check depending on the program.
Differentials:	Northern College does not use differentials.
Workplace pathways:	Students with workplace level courses are able to study our Animal Grooming Certificate program. We also offer academic upgrading. For more information, please visit the Northern College website regarding workplace level courses.
Upgrading pathways:	Academic upgrading available. Preparatory programs; Pre-Health Sciences Pathway to Advanced Diploma and Degrees. General Arts and Science – Exploratory. Pre-Technology Certificate.
Post-graduate opportunities:	Accommodation and Human Rights Management Companion Animal Physical Rehabilitation Cybersecurity Emergency Management, Terrorism and Pandemic Response Global Business, Entrepreneurship & Technology Health Care Management Human Resource Management
Deferral policy:	Only in extenuating circumstances – requests must go to our Registrar and are considered on an individual case-by-case basis.
International Student App.:	International applicants may submit their electronic application through the Ontario College Application Service, International OCAS, by creating an account, uploading their credentials and English language proficiency, and selecting their program of interest.
Students with disabilities:	Haileybury Campus: 705-672-3376 ext. 8827 wigginst@northern.on.ca Kirkland Lake Campus: 705-567-9291 ext. 3625 connorsk@northern.on.ca Timmins Campus: 705-235-3211 ext. 2237 foys@northern.on.ca Moosonee Campus: 705-336-2913 ext. 5603 smallw@northern.on.ca

Institutional Information

Student Population:	600 full-time students
New Programs:	There are no new programs for Fall 2025
Program Changes:	There are no program changes for Fall 2025

Admissions Information

Selection process for oversubscribed programs:	We do not have any oversubscribed programs at this time.
Selection process for non-oversubscribed:	Admissions at Ridgetown Campus: https://www.uoguelph.ca/ridgetown/apply/
Grade 11 marks:	Grade 11 grades will be considered as part of the six courses for their required admissions average. If we are looking for a final Grade 12 mark for admission into an oversubscribed program, we will consider Grade 11 marks in the assessment process, but the Grade 12 marks must still meet the minimum required average.
Alternate offers of admission:	Alternate offers may be made to applicants who have applied to the Veterinary Technology Conventional program. An offer to the Veterinary Technology Alternative program may be granted. If applicants are not successful in an offer of admission to our Veterinary Technology

	diploma, they are encouraged to consider our other animal related program options (Agriculture Diploma, Equine Care and Management Diploma, or Veterinary Assistant and Office Administration Certificate)
Differentials:	For Veterinary Technology admissions, our minimum grade for college-level courses is 75%, and for university-level courses is 65%
Upgrading pathways:	Four Pathway Agreements with the University of Guelph. Through four diplomas: Agriculture, Environmental Technician, Equine Care and Management, and Horticulture. Graduate with 2 Credentials! Complete 2 years at Ridgetown Campus then 2.5 - 3 years at the University of Guelph. Additional specific high school requirements are needed that differ from our original requirements to enter the Ridgetown Campus and you must maintain a certain average at Ridgetown to transfer. --> https://admission.uoguelph.ca/articulation/ridgetown
Post-graduate opportunities:	We have four transfer pathways into the University of Guelph (explained above).
Deferral policy:	For deferrals, students can connect directly with our Campus Registrar for more information.
International Student App.:	International students are to apply through our OCAS International Application Portal https://www.ridgetownnc.com/future/admission-international/
Students with disabilities:	Students with disabilities seeking academic accommodation are encouraged to follow the instructions on our website: https://wellness.uoguelph.ca/accessibility/

Scholarship & Financial Aid Information

INSTITUTIONAL INFORMATION

Student Population:	45,000+ full-time students / 15,000+ graduates annually
New Programs:	Bachelor of Business Administration Bachelor of Computer Science Bachelor of Science – Cosmetic Science Honours Bachelor of Science – Nursing (Fast track)
Program Changes:	Seneca is offering more options than ever with new January and May intakes for some of our popular programs and additional intakes offered in online and/or flexible delivery creating more choice for students. The Art Fundamentals certificate will have a title change in Fall 2025 to Art & Design Fundamentals (ADF). The program will prioritize building a strong foundation in both art and design concepts. The Independent Music Production program has updated admission requirements to align with similar programs. The required music demo now consists of one song, which can either be an original composition or a cover of another artist's piece.
What's New:	<ol style="list-style-type: none"> We are proud to introduce our three-year degrees which offer a unique blend of academic rigour, practical experience and career exposure including real work experience in a co-op term. The shorter program duration means students can enter the job market quicker and save on tuition. We are also the only postsecondary institution in Ontario offering C, M and U degree admission. Seneca Polytechnic students can now pursue a Queen's University engineering degree through our exciting new pathway partnership. Students enrolled in Seneca's Civil Engineering Technology three-year advanced diploma program can now work towards a Bachelor of Applied Science in Engineering at Queens University. We are building a brand new, first-in-class Health and Wellness Centre at Newnham Campus. These new spaces will redefine health, wellness and recreation and will include a new, modern home for varsity and recreational sports and a fully equipped, accessible fitness centre. This transformative multi-story complex will support the physical, mental, emotional and spiritual health of all students. Our Patient Care Simulation Lab opened at Newnham Campus in 2024. This new lab features state-of-the-art technology, providing Seneca Nanji Foundation School of Nursing students with hands-on experience using the latest equipment in the field. Located in Magna Hall at King Campus, our new Occupational Therapist Assistant and Physiotherapist Assistant Lab offers up-to-date rehabilitative equipment. It provides students with practical, hands-on experience in a dynamic learning environment. The lab is now open and in use by the program's first cohort as of the Winter 2025 Term.

ADMISSIONS INFORMATION

Differentials:	Seneca does not use differentials in the selection process.
Grade 11 marks:	In the absence of midterm or final Grade 12 marks for prerequisite subjects for a given program, Grade 11 marks may be considered in the selection process.
Dual credits/SHSM programs:	Seneca offers more than 50 dual credit courses across various academic areas, supporting over 1,000 high school students annually. Seneca offers a one-time \$1,000 dual credit bursary to full-time first-year students who completed a dual credit course at Seneca while in high school and who demonstrate financial need.

Selection process for oversubscribed programs:	Cut-off scores are specific to each applicant pool and may be higher or lower depending on the intake a student applies to.	
	Highly Competitive Programs	Cut off score to receive an offer (Sept. 2025)
	Animation	70 per cent (academic requirements + portfolio submission)
	Firefighter, Pre-service Education and Training	82 per cent
	Honours Bachelor of Aviation Technology	85 per cent
	Honours Bachelor of Science - Nursing	75 per cent
	Veterinary Technician	85 per cent (academic requirements + questionnaire)

Selection process for non-oversubscribed: The selection process for other programs is based on published admission requirements. After the Feb. 1 Equal Consideration Deadline (ECD), offers continue to be released for open programs with seats available, on a first-come, first-served basis until the program is full.

Alternate offers of admission: Students who do not meet admission requirements may be given an alternate program recommendation, providing a flexible pathway option to help them achieve their goals.

Supplemental admission req: Some programs use additional admission criteria as follows.

Program	Supplemental Admission Requirement
Acting for Camera & Voice	Acting profile and audition
Animation	Portfolio of work
Illustration	Portfolio of work
Independent Music Production	Audio recording
Independent Songwriting and Performance	Performance video
Veterinary Technician	Questionnaire

Workplace pathways: Applicants who have workplace-level credits should consider Seneca's Academic Upgrading program to prepare for postsecondary studies.

Upgrading pathways: Seneca offers a free Academic Upgrading program for students missing requirements for college. Academic upgrading for diploma-bound students includes the Academic and Career Entrance (ACE) certificate program, Pre-Health Sciences (PHS) and General Arts – English for Academic Purposes (GEA).

Post-graduate opportunities: Diploma and degree graduates can apply to a one-year graduate certificate program. For details, visit senecapolytechnic.ca/gradcerts. Seneca also has established pathways with more than 60 reputable partner institutions so students completing their Seneca credential can pursue further education, including master's degrees.

Deferral policy: An applicant may change their start date through OCAS within the same application cycle and will be considered for an offer if there is room in the program. There is no guarantee of a seat if the program is highly competitive.

International Student Application process: International applicants can use Seneca Polytechnic's International Web Application to apply. Details about the application process are available at senecapolytechnic.ca/international/apply.

Students with disabilities: Seneca's Counselling & Accessible Learning Services provides short-term supportive counselling and academic accommodations to students with documented disabilities or medical conditions. We also offer assistive technology training, learning strategy instructions, workshops, groups and more. Visit: students.senecapolytechnic.ca/spaces/122/accessible-learning-services/landing to learn more.

SCHOLARSHIP & FINANCIAL AID INFORMATION

Scholarships, bursary, awards app info & deadlines: Seneca offers millions of dollars in scholarships, bursaries and other awards each year. Renewable degree scholarships are available to students whose Grade 12 average is at least 70 per cent. Additionally, a \$2,500 scholarship is available for qualified diploma graduates pursuing a Seneca degree. For details, visit senecapolytechnic.ca/registrar/financialaid.

ATHLETICS INFORMATION

Varsity teams: We're #SenecaProud of our Seneca Sting teams, who compete at the varsity level in nine men's sports and nine women's sports. Our athletes have won seven Canadian Collegiate Athletic Association (CCAA) gold medals in badminton in the past 10 years, and in 2023 our women's soccer team became the first from an Ontario school to capture a CCAA championship

RESIDENCE INFORMATION

Residence options: Living in residence is an opportunity to build friendships, gain independence and experience life on campus. For information, visit senecaresidence.ca.

Campus Tours:	Register for a tour: https://www.sheridancollege.ca/tours
Upcoming Events:	Annual Open House events in Spring and Fall: sheridancollege.ca/open-house

Institutional Information

Student Population:	~31,000 full-time students across three campuses (Brampton, Mississauga, Oakville).
New Programs:	In the face of a rapidly evolving postsecondary landscape, we are strengthening our commitment to the creative industries while expanding our leadership in health innovation, skilled trades, and technology. We are aligning with market demand, workforce needs, and our institutional expertise to ensure we are meeting the evolving needs of students and communities, with plans to expand our program offerings in the months ahead.
Program Changes:	Personal Support Worker Certificate – now available at two locations in Mississauga: Hazel McCallion Campus and Erin Meadows – Schlegel Village. The Erin Meadows location is a “living classroom”, in that the program delivered onsite at a long-term care facility. Sheridan’s Social Service Worker – Gerontology Diploma program is the first in Ontario to offer our diploma program entirely online.
What’s New:	Designed for students already enrolled in a degree program and requiring no additional courses beyond the usual semester load, Sheridan’s Board Undergraduate Certificate in Resilience, Ethics and Adaptation is a one-of-a-kind credential that responds to increased global workforce demand for graduates who are ready to adapt and thrive in an ever-changing world.

Admissions Information

Selection process for oversubscribed programs:	Some of our programs are highly competitive . Applicants to some oversubscribed programs are admitted based on a combination of both academic criteria and the ranking of a supplemental item. These scored supplementals are used in conjunction with the applicant’s academic performance.
Selection process for non-oversubscribed:	Applicants to some programs are admitted based on academic criteria alone. Selection is based on the average of their six highest senior-level credits, including required courses. Sheridan uses a limit of one cooperative education mark as part of the average.

Grade 11 marks:	For certificate and diploma programs, Grade 11 marks can be used as electives in the calculation of an admissions average if the applicant is registered in the required courses. Unless specified as an admission requirement, Grade 11 courses are NOT used in determining eligibility for admission to degree programs.
Dual credits/SHSM programs:	Marks for dual credits and/or SHSM courses are used in the calculation of admission averages and are treated as electives. They are not used as prerequisite courses.
Alternate offers of admission:	Applicants who do not meet the admission requirements for a selected program may be assessed and advised individually and considered for other, related programs.
Supplemental admission req:	Supplemental admission requirements can include portfolios, auditions, resumes, questionnaires, creative projects, essays and others. Details can be found on Sheridan’s individual program pages through sheridancollege.ca/programs
Differentials:	Sheridan does not use grade differentials in the selection process.
Workplace pathways:	Currently, Sheridan will only review courses at the C, M or U level for admissions.
Upgrading pathways:	Sheridan offers free academic courses in English, math, chemistry, and biology (ACE Core), and Computer Applications and Strategies for Success (Elective). sheridancollege.ca/upgrading
Post-graduate opportunities:	Sheridan offers 29 post-graduate certificates across five Faculties, as well as pathways partnerships with over 40 institutions in Canada and around the world to support continued learning.
Deferral policy:	Deferrals are only granted under extenuating circumstances supported by appropriate documentation. All deferrals are at the discretion of the Registrar.
International Student App.:	For international or newcomer students living in Canada, please contact: Kim Tran – Student Recruitment Supervisor, Onshore International and Newcomers kim.tran@sheridancollege.ca
Students with disabilities:	Sheridan provides accommodation support for applicants and students through our Accessible Learning Office: sheridancollege.ca/accessible-learning

Scholarship & Financial Aid Information

Scholarships, bursary, awards app info & deadlines:	Sheridan issued \$21M last year through scholarships, awards and bursaries to more than 14,700 students. This includes our Degree Entrance Scholarships ranging from \$1,000–\$3,000 and the Schulich Builders Scholarships for Skilled Trades . Learn more at: sheridancollege.ca/financial-aid

INSTITUTIONAL INFORMATION

Student Population:	Our student population is 16,000 plus full-time students across 3 campuses (Main Windsor, Downtown & Chatham). To learn more about our campuses, visit www.stclaircollege.ca/campus-profiles .
New Programs:	Our new programs include the following: Predictive Data Analytics, and Supply Chain Management. To learn more about our programs, visit www.stclaircollege.ca/programs .
Program Changes:	
What's New:	The Patti France Welcome Centre opened in Fall 2024 providing a one-stop-shop for all student needs featuring the Registrar's Office, Financial Aid, OneCard, and International Office Services.

ADMISSIONS INFORMATION

Selection process for oversubscribed programs:	Except for the Nursing (BScN)*, admissions to oversubscribed programs will be based on the average of all marks in grades 11 and 12. *Nursing BScN is based on the average of final first semester grade 12 required (U) courses. If you have not taken the required Chemistry or Biology in your first semester of Grade 12, your Grade 11 (U) marks will be used. Diagnostic Medical Sonography will require Casper testing. Visit takecasper.com to create an account, register to complete Casper, and learn more about this assessment and any associated fees.
Selection process for non-oversubscribed programs:	Ontario Secondary School Diploma (OSSD) with a majority of credits at the College (C), University (U), College/University (M), or Open (O) level or equivalent. All applicants must meet program specific requirements. To learn more about our program requirements, visit www.stclaircollege.ca/programs to select a program for further details.
Grade 11 marks:	For oversubscribed programs, except for Nursing (BScN), applicants are ranked by the average of all marks in grades 11 and 12. Also, for selected "popular" programs, a grade 12 English mark will be used for ranking purposes. If a grade 12 English is not available, the grade 11 English mark will be used. NBE 3(C) or 3(U) Contemporary Aboriginal Voices is considered a Grade 11 English for ranking.

Dual credits/SHSM programs:	St. Clair College offers numerous courses through www.stclaircollege.ca/student-services/dual-credit . For Dual Credit inquires email dualcredit@stclaircollege.ca . We offer SHSM Scholarships to 1 st year students entering a full-time post-secondary program with us. Online applications are available from July 1 st to September 20 th each year, www.stclaircollege.ca/financial-aid/high-skills-scholarship
Alternate offers of admission:	No alternate offers of admission are automatically given, unless requested by applicant.
Supplemental admission requirements:	Graphic Design – Art Portfolio, Animation 2D/3D – Drawing Test, Music Theatre Performance- Audition, and Paramedic – Admission Data Sheet (Questionnaire)
Differentials:	St. Clair College does not differentiate between C, M, and U level courses; they are treated equally.
Workplace pathways:	Applicants who have workplace/essential/basic levels in required courses will be counselled to pursue academic upgrading through the Academic Career Entrance, Community Integration through Cooperative Education and Pre-Health programs.
Upgrading pathways:	Pre-Health Sciences, Academic Career Entrance (ACE)
Post-graduate Opportunities:	Advanced Medical Esthetics Practitioner, Cybersecurity, Cybersecurity- Automobility, Cybersecurity Analytics – Automobility, Data Analytics, Early Childhood Education – Accelerated, Paralegal – Accelerated, Diagnostic Cardiac Sonography, Supply Chain Management and Predictive Data Analytics.
Deferral policy:	\$100.00 Deferral fee to be paid to the college for students awaiting OSAP or RESP.
International student application process:	For more information email international@stclaircollege.ca or call 519-972-2727, ext. 2753. To apply for international programs, visit ontariocolleges.ca .
Students with disabilities:	Our Student Services department offers accessibility services. Visit www.stclaircollege.ca/student-services for all services.
SCHOLARSHIP & FINANCIAL AID INFORMATION
