Search for Programs at Colleges / Rechercher des programmes dans des collèges

A Refreshed Ontario Colleges

At OCAS, we've reimagined the Ontario Colleges website with intuitive navigation, enhanced program search, and tailored content to give your students confidence in exploring and applying.

Events Calendar

Connecting students with college experts through a centralized, searchable hub of open houses and information sessions.

Ontario Colleges Blog

Providing a glimpse into the college experience and helpful information about learning opportunities and support resources.

New How to Apply Video

Guiding students through the application process with a step-by-step video covering account creation, building a profile, applying, and tracking their status.

Collèges de l'Ontario fait peau neuve

Chez OCAS, nous avons repensé le site Web de Collèges de l'Ontario en y intégrant une navigation intuitive, une recherche de programmes améliorée et un contenu sur mesure, afin de donner à vos élèves la confiance nécessaire pour explorer les programmes et pour faire demande.

Calendrier des événements

Mettre les élèves en relation avec des experts des collèges grâce à une plateforme centralisée et consultable regroupant les journées portes ouvertes et les séances d'information.

Blogue de Collèges de l'Ontario

Un aperçu de la vie collégiale et des renseignements utiles sur les possibilités d'apprentissage et les ressources de soutien.

Nouvelle vidéo « Comment faire demande »

Explication, étape par étape, de la procédure de demande d'admission aux élèves : création d'un compte, création d'un profil, soumission de la demande d'admission et suivi du statut.

Admissions Information

Selection process for oversubscribed programs:	Applications are evaluated based on the published admission requirements. Some programs are ranked by the average of the required subjects; some programs are ranked by assessment results.
Selection process for non-oversubscribed programs:	Applications are evaluated based on the published admission requirements. Once the applicants meet these requirements, an offer of admission is issued if space is available in the program.
Grade 11 marks:	Grade 11 marks are used only for ranking highly competitive programs, unless listed.
Dual credits/SHSM programs:	1,050 high school students may register for dual credit courses at Ottawa and Pembroke locations. Contact: dualcredit@algonquincollege.com

Alternate offers of admission:	Yes, we do offer alternative offers of admission.
Supplemental admission requirements:	Portfolios and admission assessments. (Please refer to our viewbook or website for more information)
Differentials:	C, M, and U level courses are equally considered unless applying directly to degrees.
Workplace pathways:	Applicants taking Workplace courses will be asked to write an admission assessment. Each student is assessed on an individual basis.
Post-graduate Opportunities:	Post-graduate programs are offered full-time and part-time. http://www.algonquincollege.com/future-students/graduate-certificates/ Degree Pathways: https://www.algonquincollege.com/pathways/
Deferral policy:	Offers of Admission cannot be deferred. Tuition deposits are transferable within Algonquin College programs in the same academic year. (September to August)
International student application:	International Education Centre: https://www.algonquincollege.com/international/
Students with disabilities:	Centre for Accessible Learning: http://www.algonquincollege.com/cal/

Scholarship & Financial Aid Information

Scholarships, bursary and awards application information and deadlines:	Notable Awards: • Schulich Builders: Scholarships for Skilled Trades • Canerector Foundation Scholarship in the Skilled Trades • Joyce Family Foundation Bursary The online bursary application, which considers students for all applicable bursaries in any given term, is available for approximately 6-8 weeks at the beginning of each term: https://www.algonquincollege.com/financial-aid/awards-bursaries-scholarships/

Institutional Information

Student Population:	Cambrian has a vibrant and diverse community of 5,500+ students in 85+ full-time programs across three campus locations in Sudbury, Espanola, and Little Current (Manitoulin Island).	
New Programs:	Bachelor of Applied Computing (BAAC): 7 semesters Degree Diplomacambriancollege.ca/BAAC	Building Construction Technician – Carpentry (CRTN): 4 semesters Ontario College CambrianCollege.ca/CRTN
	Nutrition and Food Service Management (NUTR): 4 semesters Ontario College Diploma CambrianCollege.ca/NUTR	
Program Changes:	<ul style="list-style-type: none"> The Dental Assisting Levels 1 and 2 (DENA) program has been reinstated for September 2026. The Medical Laboratory Technology (MDLY) program has added ten seats for September 2026. 	
What's New:	<ul style="list-style-type: none"> The Ontario Learn and Stay Grant was renewed for September 2026 programs. Funding for tuition, books, and supplies for Practical Nursing (PNBP), Honours Bachelor of Science in Nursing (NURS), Medical Laboratory Technology (MDLY), and Paramedic (PARA) will be available. In-house pathways from our Computer Programming – Internet of Things (CPIN), Computer Systems Technician – Networking (CSTN), and Computer Systems Technology – Security (CSTY) programs into our Bachelor of Applied Computing (BAAC) degree. 	

Admissions Information

Selection process for oversubscribed programs:	Program	# of Seats	Benchmarks
	Honours Bachelor of Science in Nursing (NURS)	96	75%
	Dental Hygiene (DHYG)	70	80.25%
	Medical Laboratory Technology (MDLY)	74	65%
	Medical Radiation Technology (MRPG)	35	90.5%
	Paramedic (PARA)	60	74.5%
	Powerline Technician (PLTN)	36	82%
Selection process for non-oversubscribed:	Open enrolment programs require that the applicant meets institutional requirements (OSSD or mature student status or equivalent) and the specific program requirements. If these are met, offers of admissions are made. Where any requirements are not yet met, conditional offers may be made. All conditions must be met before the start of classes.		
Grade 11 marks:	Grade 11 marks are used only when the admission requirement calls for either grade 11 or 12 marks. If the requirement is grade 12, the applicant's grade 11 marks would not be considered.		

Dual credits/SHSM programs:	In partnership with the Rainbow District School Board, Sudbury Catholic District School Board, and Kenjgewin Teg, we offer more than 25 dual credit options. For more information, please contact Diane Boyce at diane.boyce@CambrianCollege.ca .
Alternate offers of admission:	Applicants who do not meet the admission requirement(s) for a chosen program will receive an alternate offer, where eligible: Pre-Health Sciences Pathway to Advanced Diplomas and Degrees (PHPG) for health-related applicants and Pre-Trades/Technology (PRET) for technology-related applicants.
Supplemental admission req:	If there are additional admission requirements for an applicant's program of choice, they will be identified within myApplication, the applicant's secure web portal.
Differentials:	We do not apply differentials/weights, as per Ministry requirements.
Workplace pathways:	<ul style="list-style-type: none"> Applicants with workplace-level English can apply to the Pre-Trades/Technology (PRET) and General Arts and Science Certificate (GAPG) programs or pursue Academic Upgrading (UPGR). The Career Pathways Program is a limited enrolment, low-cost program that is well suited for those who have a developmental disability, intellectual disability, or other learning challenges. Visit CambrianCollege.ca/build-the-foundation-for-your-future for more information.
Upgrading pathways:	Academic Upgrading (UPGR) and General Arts and Science – English for Academic Purposes (EAPP).
Post-graduate opportunities:	We offer 20+ graduate certificate programs and 750+ articulation agreements with universities for graduates to pursue degree opportunities. Information about graduate certificates can be found by visiting CambrianCollege.ca/graduate-certificates .
Deferral policy:	We do not defer offers of admission and do not carry over waitlists from year to year.
International Student App:	Information about international applications can be found by visiting CambrianCollege.ca/admissions/international-admissions .
Students with disabilities:	The Glenn Crombie Centre promotes accessibility, counselling, and wellness for students at Cambrian College. Information can be found at CambrianCollege.ca/supports-services/accessibility-services .

Scholarship & Financial Aid Information

Scholarships, bursary, awards app info & deadlines:	<ul style="list-style-type: none"> Nearly \$2,000,000 in scholarships and bursaries are awarded to students annually. Fall 2026 full-time students in the Honours Bachelor of Business Administration (HBBA), Bachelor of Business Administration (BBBA), Bachelor of Applied Computing (BAAC), and Honours Bachelor of Applied Psychology (HBAP) programs will receive a \$1,000 entrance scholarship. Students who maintain a grade point average of 75% could receive another \$1,000 in semester two. Learn more at CambrianCollege.ca/scholarships. Students enrolling in skilled trades certificate and diploma programs could receive up to \$40,000 to help fund their education. Applications are due before May 29, 2026, to be eligible. Visit CambrianCollege.ca/schulich for more information.
--	--

Athletics Information

Varsity teams:	We offer men's and women's varsity soccer, volleyball, badminton, and cross-country running.
Recreation teams:	We offer intramural sports, with different additions every year. Some of what we offer includes slo-pitch, curling, basketball, 3-on-3 hockey, dodgeball, and cricket.

Residence Information

Residence options:	Students can explore on-campus residences and apply to two options: two-bedroom dorms or six-bedroom townhouses. Apply at CambrianCollege.ca/residence .

Contact Information

Recruitment & Admissions:	info@canadorecollege.ca admission@canadorecollege.ca
Financial Aid:	finaid@canadorecollege.ca
Campus Tours:	https://www.canadorecollege.ca/experience/join-us
Upcoming Events:	https://www.canadorecollege.ca/

Institutional Information

Student Population:	With four campuses, 3 in North Bay and 1 in Parry Sound, we have 5,000 full time students.
New Programs:	Bachelor of Commerce Bachelor of Computer Science – Software Development Mobile Application Development Digital Media Medical Laboratory Technology
Program Changes:	Name change and program upgrade for “Mechanical Techniques – Machining”, new name “Mechanical Techniques – Precision Machining”.
What’s New:	The Canadore Sportsplex, opened in the Fall of 2024, is an 85,000 square-foot, state-of-the-art air-supported dome. It features a full-sized FIFA regulation soccer field that can be divided into thirds, two multi-purpose courts, a high-performance training area, and an attached 6,200 square-foot clubhouse with change rooms and meeting spaces.

Admissions Information

Selection process for oversubscribed programs:	For highly competitive programs applicants are scored based on their averages of the prerequisites required for the program. Oversubscribed programs for the 2025-2026 academic year were: Dental Hygiene; Respiratory Therapy; Practical Nursing
Selection process for non-oversubscribed:	First come, first served, space permitting.
Grade 11 marks:	Grade 11 marks are used when stated as an admission requirement. Grade 11 English is not considered, but math and sciences are considered for some programs.
Dual credits/SHSM programs:	For the most part dual credits are not taken into consideration for admissions; individual courses may be considered for exemption, example: CMM125
Alternate offers of admission:	Alternate offers may be issued to applicants not eligible for their program choice or waitlisted from our admissions officers.
Supplemental admission req:	Acting for Stage and Screen requires an audition.
Differentials:	On over scribed programs, we offer 10 extra points for U level courses.
Workplace pathways:	<u>The programs below will accept applicants whose OSSD was or will be earned with workplace preparation level credits:</u> Trades Fundamentals, Business Fundamentals, Aviation Fundamentals, and Game Design and Development.
Upgrading pathways:	<u>The programs below can be used to upgrade credits:</u> General Arts and Science, PN to BScN Bridging Honours Bachelor of Science – Nursing, Pre-Health Pathway to Advanced Diplomas and Degrees, Pre-Health Sciences Pathways to Certifications and Diplomas, and Pre-Health Sciences Pathway to Certificates and Diplomas – Indigenous.

Post-graduate opportunities:	Business Management, Construction Project Management, Cybersecurity, Entrepreneurship Management, Human Resource Management, Health Care Administration, Logistics and Supply Chain Management, Environmental Management, Environmental Geomatics and Advanced Manufacturing, Design, and Management. Pathway with Nipissing University for bridging opportunity from Police Foundations, or Community Justice Studies – Bachelor of Arts Criminal Justice – Corrections Stream or Policing Stream. Pathway with Nipissing University for bridging opportunity from Environment Tech, or Biotechnology Tech - Bachelor of Science. Pathway with Technological University of the Shannon from Culinary Management to Bachelor of Arts in Culinary Arts Degree. More can be found at https://www.canadorecollege.ca/get-started/credit-transfers
-------------------------------------	--

Deferral policy:	We sometimes accept deferrals. The applicant will need to complete an internal application for next intake with one of our admissions officers, but the offer will not be guaranteed.
-------------------------	---

International Student App:	International graduates of Canadore College may qualify for a Post-Graduation Work Permit (PGWP) to gain Canadian work experience. https://www.canadorecollege.ca/pgwp .
-----------------------------------	--

Students with disabilities:	Canadore College Student Success Services department can assist students with multiple resources, listed on our website at https://www.canadorecollege.ca/support/student-success-services . Students are asked to fill out the Support Services Request Form in the summer before the program starts.
------------------------------------	--

Scholarship & Financial Aid Information

Scholarships, bursary, awards app info & deadlines:	Last year, we awarded over 144 scholarships for academic excellence, attendance, and classroom contribution. To apply, submit a Scholarship Online Application (Nov 1–Jan 31) or an Online Bursary Application (Oct 1–Oct 31) for financial need-based awards. Entrance awards for specific programs run from May 1–Aug 31 , and Discretionary Bursaries are available for urgent financial needs. Learn more at https://www.canadorecollege.ca/money .
--	--

Athletics Information

Varsity teams:	Women’s and Men’s Volleyball, and Men’s Basketball.
Recreation teams:	Club Sports - Women’s Flag Football, Men’s Baseball, Women’s & Men’s Hockey, Women’s & Men’s Soccer, Women’s Basketball

Residence Information

Residence options:	First-year students are guaranteed residence rooms if they apply by the designated spring deadline. Our on-campus apartment-style and townhouse residences house 675 students , each with a private bedroom. Residences include furnished units, full kitchens, three-piece bathrooms, free Wi-Fi, fitness and study rooms, laundry facilities, and utilities included . For off-campus housing, Canadore partners with Places4Students , offering a real-time database of rental listings with photos and details. Learn more at https://www.canadorecollege.ca/housing .

Campus Tours:	Tour Bookings: www.conestogac.on.ca/visit-us Virtual Tour: virtual-tour.conestogac.on.ca/Conestoga
Upcoming Events:	blogs1.conestogac.on.ca/events/

Institutional Information

Student Population:	20,000
New Programs:	Bachelor of Policing, 3-year degree Bachelor of Data Science and Artificial Intelligence (Honours), 4-year degree Diagnostic Medical Sonography, 3-year advanced diploma (5 semesters) Plumbing Technician, 2-year diploma Animation and Game Fundamentals, 1-year certificate
Program Changes:	Electrical Engineering Technician – Industrial has changed to Grade 11 English and Math – C level
What's New:	Motive Power Programs for Automotive, Truck and Coach and Heavy Equipment Technician are moving from Guelph to the new Skilled Trades Campus in Cambridge starting September 2026. Heavy Construction Equipment Operation is only being offered out of Brantford. Pre-Service Firefighting is staying at the Kitchener (Doon) campus.

Admissions Information

Selection process for oversubscribed programs:	Electrical Technician – Industrial (Optional Co-op) – 79%; Powerline Technician (Optional Co-op) – 75%; Heating Refrigeration and Air Conditioning – 88%; Construction Techniques (Carpentry, Electrical, HVAC and Welding) – 80%; Powerline Technician – 75%; Practical Nursing – 92.5% for Doon, 91% for Waterloo, 85% for Milton; Paramedic – 85%; Respiratory Therapy – 85%; Diagnostic Medical Sonography – 100%; Bachelor of Science Nursing – 89%; Medical Laboratory Science – 98%; Pharmacy Technician – 65%; Veterinary Assistant – 60%; Veterinary Technician – 78%; Commercial Flight Operations – 94%
Selection process for non-oversubscribed:	Varies depending on the program. Some programs have minimum admission averages, and some programs require supplemental admission information.
Grade 11 marks:	Where the minimum subject requirement is grade 12, grade 11 marks may be used in the calculation of academic strength for those applicants currently enrolled in the required subjects. In such cases, any offers of admission would be conditional upon the successful completion of the required grade 12 course and the final grade in that course.
Dual credits/SHSM programs:	Conestoga College, in partnership with School College Work Initiative and eleven area school boards, offers a variety of dual credit courses and OYAP level 1 programs. SHSM reach ahead, experiential learning activities and workshops are available. For more information contact Rosie Hessian Chair at: rhessian@conestogac.on.ca .
Alternate offers of admission:	Where possible, alternate offers of admission will be made to programs similar in nature to the original program and for which applicants meet admission requirements.
Supplemental admission req:	Depends on the program and may include mandatory information meetings, portfolios, interviews, resumes and/or questionnaires. Details about these requirements can be found online on the program page.
Differentials:	For all certificate, diploma and advanced diploma programs, secondary school marks for required courses will be awarded a 10-mark bonus as follows: Any U level, any U/C or M level, any courses at the advanced level from the old curriculum – Advanced Level OAC. Note: differentials will NOT be applied to academic strength calculations for any degree or graduate certificate programs.

Workplace pathways:	Conestoga offers programs that require an OSSD or equivalent with no specific course requirements. These include: Business Fundamentals and Banking and Financial Services, Food Service Worker, Bartending, Bookkeeping, Construction Techniques (multi trade), Brick & Stone Fundamentals, and Community Integration through Co-operative Education.
Upgrading pathways:	Academic Upgrading and Preparatory Programs provide individuals, with and without their high school diploma (or equivalency), the opportunity to complete the required admission/prerequisite courses for entry into certificate and diploma programs. Free programming is available based on eligibility. Contact upgrading@conestogac.on.ca
Post-graduate opportunities:	Agreements between Conestoga College and other post-secondary institutions are listed here: conestogac.on.ca/credit-transfer/agreement
Deferral policy:	Not applicable
International Student App:	International graduates of Canadore College may qualify for a Post-Graduation Work Permit (PGWP) to gain Canadian work experience. https://www.canadorecollege.ca/pgwp .
Students with disabilities:	Conestoga provides support for students with permanent and temporary disabilities. Staff work with students to develop a success plan that considers the academic and testing accommodations available to support the student's full participation in Conestoga life. https://studentsuccess.conestogac.on.ca/accessible-learning
Scholarship & Financial Aid Information	
Scholarships, bursary, awards app info & deadlines:	We make it very easy for students to apply for awards, bursaries and scholarships. Student Financial Services provides students with one online application, which they complete in the first month of the fall and winter semester to be considered for most of Conestoga's awards, bursaries and scholarships. Availability and deadlines are emailed to each student. Degree Entrance Scholarships are awarded to students in the first term of eligible degree programs with an average of at least 70%. The award breakdown is as follows: Admission Grade 70-79 = \$1,500, Admission Grade 80-89 = \$2,000, Admission Grade 90-100 = \$2,500
Athletics Information	
Varsity teams:	Badminton, Basketball, Cross-Country, Soccer (Indoor & Outdoor), Rugby, Softball (women's), Volleyball, Esports
Recreation teams:	Table Tennis, Flag Football, Ultimate Frisbee, Chess, Squash, Pilates, Yoga, Basketball, Soccer, Zumba, Dodgeball, Spikeball, Meditation 101, Badminton, Volleyball, Healthy Eating, Fitness Assessments, etc. Full list: conestogacondors.ca/landing/index
Residence Information	
Residence options:	Residence is on a first come, first serve basis and we continue to accept students until we are full (no application deadline). Historically, Residence is full around the end of May or early June. There is a non-refundable application fee of \$100 that is to be paid before a student is accepted to Residence. Contact: info@conestogaresidence.ca . We also offer off-campus housing (similar to residence) in Brantford, Milton and Waterloo. conestogac.on.ca/student-housing

Institutional Information

Student Population:	Over 11,300+ full-time post-secondary students and 2,700+ apprentices.
New Programs:	Bachelor of Business Administration (Human Resources Management) Bachelor of Construction Management Bachelor of Cybersecurity Cloud and Information Technology Systems View the full list here: durhamcollege.ca/new-programs
Program Changes:	Effective January 2027, DC's weighting factor for post-secondary level credits has been reduced from 15% to 10%. Pre-admission testing is available and will provide a Grade 12 English C or U level and/or Grade 12 Math C or U level, granting access to certificate, diploma, and degree programming. durhamcollege.ca/admissions/pre-admission-assessment-testing-for-domestic-applicants
What's New:	Durham College launched a new Strategic Vision to show our commitment to transforming lives, building careers and enriching communities. durhamcollege.ca/strategic-vision-dc-2030

Admissions Information

Selection process for oversubscribed programs:	Admission is based on the average of four prerequisite senior-level (grade 11 and grade 12) subjects at the C, M, or U levels (excluding co-op), and any other admission requirements noted on the program page. durhamcollege.ca/admissions/admission-process Competitive programs may include: Community Integration through Cooperative Education, Dental Hygiene, Electrical Engineering Technician, Electrical Techniques, HVAC, Mechanical Techniques - Plumbing, Occupational Therapist Assistant and Physiotherapist Assistant, Paramedic and Practical Nursing
Selection process for non-oversubscribed:	Complete applications received by February 1st will receive equal consideration. Afterwards, all applications will be considered on a first-come, first-served basis. will be given until a program is full, and as late as the first week of classes. Qualified applicants to non-competitive programs may receive offers of admission as soon as November 1, 2026, for the 2027/2028 academic year.
Grade 11 marks:	If grade 12 marks are not available because a student is either currently completing or is registered for a grade 12 prerequisite subject, the grade 11 mark for the same subject will be used. If a grade 11 chemistry mark is unavailable, the average final chemistry mark from the previous year's qualified applicant pool for the same program will be used for ranking.
Dual credits/SHSM programs:	Dual Credits are considered for credit transfer. SHSM will be considered for entry into degree programming, provided they are U or M level.
Alternate offers of admission:	Applicants who do not receive an offer to their program of choice should contact the Student Recruitment Team at durhamcollege.ca/student-recruitment to discuss options.
Supplemental admission req:	Additional requirements can include testing, a portfolio submission, an interview or other criteria. Please see the program webpage for details.

Differentials:	DC does not apply differentials to C, M, or U Level credits.
Workplace pathways:	Prerequisite subjects required for admission to DC must be at the C, M or U Levels.
Upgrading pathways:	DC offers a variety of upgrading, foundational programs, and pre-admission testing options for applicants that do not currently meet admission requirements. For more information, visit the webpage here: durhamcollege.ca/admissions/explore-your-admissions-options
Post-graduate opportunities:	DC offers 19 Graduate Certificate programs durhamcollege.ca/grad DC has 1000+ pathways to further studies with institutions locally and globally learn more here: durhamcollege.ca/pathways
Deferral policy:	DC does not have a deferral policy. Students may reapply for a subsequent intake.
International Student App:	International students are encouraged to visit DC International Education for more information on eligible programs at durhamcollege.ca/international
Students with disabilities:	The Durham College Access and Support Centre (ASC) offers a variety of supports for students with documented exceptionalities. durhamcollege.ca/ASC

Scholarship & Financial Aid Information

Institutional Information

Student Population:	7,000 full-time
New Certificate, Diploma & Degree Programs (select):	Veterinary Technician program offers hands-on, real-world experience. Through a combination of immersive simulation and practical training and a 150-hour clinical placement. All theory will be delivered asynchronously online and hands-on Labs will be at the Peterborough Humane Society. Simulation technology allows students to safely practice essential skills and refine techniques before working with live animals. Respiratory Therapy : Graduate in 2 years in this accelerated program that prepares students to become a healthcare professional specializing in treating problems related to respiratory, cardiac, and pulmonary diseases. The last two semesters students will complete two field placements of 420 hours each giving them the experience they need to graduate job-ready. Diagnostic Cardiac Sonography - Post Graduate Certificate . All courses are asynchronous except for Cardiac Scanning Labs I & II and Patient Management II. Hands-on labs run on the last weekend of every month each semester, for a total of eight intensive lab weekends. Fleming programs that meet the requirements: BTF MAC POA PMD PHM PN RT
Program Changes:	Paramedic program reserves 50% (approx. 26) of the seats for Pre-Health Sciences - Pathways to Certificates and Diplomas graduates. Paramedic program has introduced a Two Step admission process. Applicants who meet the minimum admission requirements will be sent specific instructions to complete an ePortfolio . Ecosystem Management offers a unique 12-week semester abroad experience, where students work to manage a private wildlife reserve developing new knowledge and skills while working on the ground to conserve species and spaces in South Africa. Police Foundations focusses on Policing for Today - Building Equity, Diversity and Resilience.
What's New:	Entrance Scholarships : 5 scholarship categories comprised of 10 scholarships, valued at \$2000 each.

Admissions Information

Selection process for oversubscribed programs:	Equal consideration will be given to qualified applicants who submit applications by Feb 1st. The number of seats will be determined proportional to the number of applicants in each pool (i.e. high school and post-secondary). A limited number of offers may be sent to exceptionally qualified applicants beginning in November, with most offers being sent after February 1st. Paramedic (PMD) : Min final grade of 65% in each required course. Average will be calculated on the prerequisite courses only. When a required course is in progress, a standard grade will be used in calculating admission averages. 2025: 89% avg. req for PMD.
Selection process for non-oversubscribed:	Selection based on meeting admission requirements which can be complete or in progress at time of application. Conditional offers will be sent on a rolling basis after November 1st based on GPA. After Feb 1st applications are reviewed on a case-by-case basis. Many programs continue to accept applications after the Feb 1 deadline, based on open seats.
Grade 11 marks:	Overall average is calculated on all completed Grade 11 and 12 courses (final grades only). Courses required for admission can be in progress at time of application and in this case an offer of admission will be conditional upon successful completion in each required course. (Averages for Practical Nursing and Paramedic, calculated on prerequisites only, see above)
Dual credits/SHSM programs:	Dual Credit programming is offered in partnership with local school boards. Dual Credits earned either through Fleming or through other colleges may be credited toward diploma or certificate programs. No preferential admissions given to SHSM graduates.

Alternate offers of admission:	Alternate offers are extended to related programs for applicants to oversubscribed programs, who meet admission requirements for the alternate program.
Supplemental admission req:	PMD requires an ePortfolio, see Program Changes for more information. See individual program web pages for details about First Aid, CPR, immunization requirements.
Differentials:	No differentials for C, M, U level courses.
Workplace pathways:	Programs that lead to careers for Workplace (E) Graduates are: Blasting Techniques, Hairstyling, Heavy Equipment Operator, Mechanical Techniques-Plumbing, Personal Support Worker and Trades Fundamentals (OLC 4O meets the English Req)
Upgrading pathways:	Academic upgrading available with continuous intakes.
Post-graduate opportunities:	15 Graduate Certificate Programs and over 70 Advanced Standing Opportunities and hundreds of University and College Articulations. (flemingcollege.ca/education-pathways)
Deferral policy:	Students may re-apply for consideration to a subsequent entry point via OCAS. Applications for a different academic year are subject to a separate application fee.
International Student App:	Submit through ontariocolleges.ca - International Application
Students with disabilities:	Each summer, Fleming College offers the First at Fleming program that focuses on the transition from high school to post-secondary and the introduction of services available to you at Fleming. For more information, contact CAES@flemingcollege.ca

Scholarship & Financial Aid Information

Scholarships, bursary, awards app info & deadlines:	Introduction of entrance scholarships. We have approximately \$2 million available annually for student bursaries and scholarships. Financial Need Bursary: Over the last two years, approximately 75% of those who applied with a complete application were eligible to receive this bursary.

What’s New:	<p>Polytechnic Transformation: George Brown has become George Brown Polytechnic, cementing our status as a leading polytechnic institution focused on delivering flexible study and career options for students. Expect to see this transformation in enhanced opportunities for students to gain the valuable work-integrated learning and applied research opportunities George Brown is already known for, stronger ties to partners, and new program offerings that reflect the latest in industry developments. More than ever students will be able to seamlessly ladder their programming from Certificates to Degrees and beyond, including the launch of our first master’s program in Construction Management.</p> <p>Partnership with the University of Toronto: This new strategic partnership is aimed at transforming how both institutions deliver post-secondary education across Ontario. Over the next 18 months, George Brown and the University of Toronto will focus on expanding student pathways and exploring new joint programs, starting with a review of their current transfer agreements and opportunities in priority areas such as STEM, healthcare, education, and trades.</p> <p>Collaboration with Niagara College: George Brown Polytechnic signed a strategic collaboration with Niagara College, enhancing mobility for students between Toronto and Niagara, and creating a framework for future collaboration across programs, student supports, administration, and knowledge sharing.</p> <p>Limberlost Place: Our award-winning 10-storey, tall wood, net zero building opened in Fall semester 2025 as the new home for our School of Architectural Studies at our Waterfront campus.</p>

Admissions Information

Selection process for oversubscribed programs:	Applicants are ranked based upon required credits (grades or test scores where applicable) and any supplementary requirements. Grades or GPA required to receive an offer of admission varies year to year depending on the applicant pool. The equal consideration date for competitive programs is February 1st.
Selection process for non-oversubscribed programs:	Offers of admission for non-oversubscribed programs may begin to be issued November 1st. Applicants are evaluated based on the required credits and any supplementary requirements (if applicable).
Grade 11 marks:	Grade 11 C or U marks may be used to receive a conditional offer of admission in certain programs, while applicants are completing Grade 12.
Dual credits/SHSM programs:	George Brown does not give any advantage to applicants with Dual Credits or Specialist High Skills Majors (SHSM) in making admissions decisions.
Alternate offers of admission:	Applicants who do not meet the program admission requirements or are not competitive enough may receive an “Alternate Offer” of admission to a related or Foundation-level program.
Supplemental admission requirements:	Some programs require a letter of intent, interview, portfolio, audition, etc. Academic Departments will issue notification to applicants regarding supplemental admission requirements. See individual program admission requirements for details at georgebrown.ca/programs .
Differentials:	George Brown does not use grade differentials.
Workplace pathways:	College Vocational (A101) accepts students from Workplace credit programs and has partnered with Pathways to Possibilities (PTP) to connect students with work placements. Students may receive support from PTP in finding employment after graduation, or may continue into other studies. Learn more about School of Work and College Preparation programs at georgebrown.ca/preparation/programs .
Upgrading pathways:	Academic Upgrading is available for Mature Students (19 years of age or older). High school students are not eligible for Academic Upgrading. See: georgebrown.ca/preparation/programs .
Deferral policy:	George Brown does not defer Offers of Admission. Apply in the year and term you are able to attend.
Post-graduate Opportunities:	A diploma or degree is required for admission to most Postgraduate programs. Some programs may accept work experience in lieu of formal credentials, or can require both. See: georgebrown.ca/postgrad/ .
Students with disabilities:	Students who have a permanent or temporary disability or who suspect they have a disability and are awaiting an assessment are eligible to receive academic accommodations from Accessible Learning Services. To get started, visit georgebrown.ca/accessible-learning-services/ . Contact us at letstalk@georgebrown.ca .
International student application process:	For information regarding international admissions, please contact our International Centre: georgebrown.ca/international/contact-international .

Scholarship & Financial Aid Information

Scholarships, bursary, awards app info & deadlines:	In 2025-2026, \$4 million was issued in scholarships, awards, and bursaries to 5000 recipients. Institutional Information

Student Population:	13,544 full-time students, including 5,500 international students from 92 countries
New Programs:	Visit: georgiancollege.ca/academics/new-programs <ul style="list-style-type: none"> Business – Agriculture (2 year diploma) Diagnostic Medical Sonography (2 year diploma) Denture Design and Fabrication (2 year diploma) Flight Services Cabin Management (2 year diploma) Medical Radiology Technology (3 year diploma) Sport and Recreation Facilities Management (2 year diploma) Video and Motion Graphics Productions (2 year diploma)
What's New:	<ul style="list-style-type: none"> The 1st Ontario college to launch near real-time admissions in partnership with OCAS. Launched MyGCLife, a new one-stop, self-serve portal designed to enhance student experience! You can find answers to service-related questions faster, connect with student services, and track inquiries and tickets – all from ONE platform. Bring Your Own Device (BYOD): Beginning Fall 2026, students will use their own device to support learning. Program-specific technical requirements can be found on GeorgianCollege.ca. One of the 1st Canadian colleges to team up with global technology giant Meta to advance the development of Intelligent Tutoring Systems (ITS) using Generative AI (GenAI) and extended reality (XR).

Admissions Information

Selection process for oversubscribed programs:	Applicants are ranked using academic grades and other selection tools such as resumé, etc. Once the desired number of offers have been reached through rounds of offers, only qualified applicants may be placed on a waiting list.
Selection process for non-oversubscribed:	Applicants are ranked based on academic grades. Once the desired number of offers have been reached, qualified applicants are placed on a waiting list.
Grade 11 marks:	Some programs will accept a Grade 11 Biology or Chemistry as part of the admission requirement. Some programs will accept Grade 11 math with a minimum grade of 60%. For programs requiring Grade 12 courses, and if a Grade 11 final grade has been provided, we may use the Grade 11 mark as an estimate until a mid-term or final grade for the Grade 12 course is received. It is always recommended that students challenge themselves in high school and complete the highest levels of a subject to better prepare for success in college.
Dual credits/SHSM programs:	Dual Credits and SHSM courses are not given extra consideration for admission. However, Dual Credits may be considered for exemption/credit transfer opportunities.
Alternate offers of admission:	Georgian will identify whether programs have a winter or summer intake and provide alternative offers if possible. If there are no alternative intakes, we offer preparatory programs such as Pre-Health Sciences for our health programs or other programs of interest.
Supplemental admission requirements:	See individual program web pages for information about G2 driver's licence, First Aid, CPR, immunization requirements, Police Vulnerable Sector Check, portfolios and all other non-academic requirements.

Differentials:	Georgian does not use grade differentials for C, M or U level courses, except for our Paramedic diploma program applicants.
Workplace pathways:	Workplace credits may be considered as part of an application to the Community Integration through Co-operative Education (CICE) program. Applicants who have workplace levels in required courses will be counselled to pursue academic upgrading through Georgian's free Academic and Career Preparation program. ENG4E and OLC40 are also now accepted in meeting admissions requirements for College Foundations (certificate), General Arts & Science (certificate), and all Indigenous Studies programs.
Upgrading pathways:	Applicants taking upgrading can apply to all certificate, diploma and degree programs. Once enrolled, students can apply for free to future pathway programs offered at Georgian.
Post-graduate opportunities:	Georgian offers several graduate certificates – diploma and degree holders can fast-track into the workplace in just nine to twelve months.
Deferral policy:	Offers of admission and waiting lists are valid for the current term only. Deferrals are not available.
International Student application process:	Visit: georgiancollege.ca/international/admissions/#learn-how-to-apply
Students with disabilities:	Accessibility Services – Visit: GeorgianCollege.ca/accessibility

Institutional Information

Student Population:	Humber is one of Canada's largest polytechnics, offering over 200 full-time programs across 23 career areas and six academic faculties, serving more than 76,000 learners.
New Programs:	<ul style="list-style-type: none"> Architectural Technology – Sustainable Design (Advanced Diploma) Artificial Intelligence - Integration and Governance (Ontario Graduate Certificate) Blockchain Design, Development and Integration (Ontario Graduate Certificate) Cardiovascular Technology (Ontario College Diploma) Cybersecurity (Bachelor of Computer Science – Honours Degree) Diagnostic Cardiac Sonography (Ontario Graduate Certificate) Digital Forensics (Ontario Graduate Certificate) ECommerce Performance and Optimization (Ontario Graduate Certificate) Master of Engineering in Advanced Manufacturing Engineering (Master's Degree) Financial Predictive Analytics (Ontario Graduate Certificate) General Arts and Science – Pathways to Diplomas and Degrees (Ontario College Certificate) Infant and Child Mental Health (Ontario Graduate Certificate) Medical Diagnostic Sonography (Advanced Diploma) Medical Laboratory Assistant (Ontario College Certificate) Medical Laboratory Technology (Advanced Diploma) Pre-Health Sciences Pathway to Certificates and Diplomas (Ontario College Certificate) Professional Book Publishing (Ontario Graduate Certificate) Professional Music Production and Engineering (Ontario Graduate Certificate) Respiratory Therapy (Advanced Diploma)
Program Changes:	Humber's programs are regularly updated including new programs, intakes, and changes. Guidance counsellors are encouraged to visit the Humber website for the most up-to-date information on program availability and admission requirements: humber.ca/explore-programs/search/full-time-programs
What's New:	The Faculty of Health & Life Sciences is launching a new Personal Support Worker to Practical Nursing (PSW to PN) pathway in September 2026. Eligible PSWs must first complete the required bridge courses through Ontario Learn before applying.

Admissions Information

Selection process for oversubscribed programs:	Applicants are ranked based upon grades/test scores and additional requirements. Offers of admissions and grade point average (GPA) requirements vary from year to year depending on the current applicant pool. For programs with a September start, applications to highly competitive programs must be received by the February 1st equal consideration deadline. Applications received after February 1st will only be considered if space permits.
Selection process for non-oversubscribed:	For programs with a September start, Humber may begin sending early offers of admissions to eligible students beginning in November for programs beginning the following September. Offers will continue to be issued until programs are waitlisted or full.

Grade 11 marks:	Grade 11 marks may be used to evaluate applications and issue conditional offers. For degree-level programs, Grade 11 marks may serve as placeholders for incomplete or ongoing Grade 12 courses. For certificate or diploma programs, Grade 11 marks may be used as elective courses and used for GPA calculation.
Dual credits/SHSM programs:	Humber Dual Credits: https://liberalarts.humber.ca/current-students/departments/dual-credit.html Dual Credit Contact: dualcredit@humber.ca .
Alternate offers of admission:	If an applicant does not meet the requirements to their program of choice, applicants may receive alternate offers to related or preparatory programs.
Supplemental admission req:	If a program has an additional requirement, apart from academic assessment, this will be outlined on the admission requirements for that particular program. Depending on the program additional requirements may be comprised of a portfolio, a resume, an audition, etc.
Differentials:	Humber does not use grade differentials for admission purposes.
Workplace pathways:	Humber will only review courses at the C, M, or U level with the exception of ENG4E which may be used to fulfill the English requirement for the General Arts and Science - College Transfer Ontario College Certificate.
Upgrading pathways:	Humber offers a variety of upgrading pathways, including foundation programs in Arts, Design, Music, and Media, as well as General Arts and Science options in College or University Transfer, Health Sciences, and Technology, and Applied Sciences and Engineering Fundamentals. We also offer a range of pre-apprenticeship programs, including Electrical, Plumbing, Welding, and Mechanical Techniques (Millwright). For more information, visit humber.ca/pre-apprenticeships .
Post-graduate opportunities:	Humber offers two Master's degree programs and more than 65 industry-focused Ontario Graduate Certificates. Many of our Ontario Graduate Certificates now have pathways into master's level programs at our various partner institutions. Contact transferoptions@humber.ca for more information.
Deferral policy:	Humber does not defer admissions offers. Students must update their OCAS application for future intakes in the same academic year or re-apply to a future academic year.
International Student App:	Website: humber.ca/international Contact: https://humber.ca/international/contact
Students with disabilities:	Humber's Accessible Learning Services facilitates equal access for students with disabilities by coordinating academic accommodations and services Website: https://humber.ca/student-life/swac/accessible-learning Visit https://humber.ca/student-life for more information on other services and support for students.

Scholarship & Financial Aid Information

Institutional Information

Student Population:	Mohawk College delivers quality education to more than 29,700 full-time, part-time and apprenticeship students, 476 Indigenous students, and 1800 international students each year.
New Programs:	Bachelor of Management - Sustainability (661), Honours Bachelor of Management - Sustainability (662), bachelor of Technology - Sustainability (663), Honours Bachelor of Technology - Sustainability (664), Nuclear Medicine and Molecular Imaging (760), Magnetic Resonance Imaging - 1st Discipline (767)
Program Changes:	N/A
What's New:	Applied Research 101 introduces high school students to practical research experiences, helping to build early awareness of postsecondary pathways and career opportunities. Beyond Borders, a new global learning program, expands access to international experiences and fosters cross-cultural competencies among students. New scholarships for learners in the School for Climate Action further support Mohawk's commitment to sustainability and workforce development in the green economy. In the health sector, the Patient Partnership Program enables students to hear first-hand experiences from patients and caregivers, strengthening empathy and enhancing care practices and outcomes for future healthcare professionals, while a new Living Classroom in Dundas provides immersive, hands-on training in a real-world care environment, further reinforcing applied learning and community partnerships.

Admissions Information

Selection process for oversubscribed programs:	Eligible applicants to oversubscribed programs, who have applied before the Equal Consideration Date (Feb 1), are ranked by grades of required courses. We do not publish cut-off scores for these programs as they are determined based on the applicant pool and vary year to year.
Selection process for non-oversubscribed:	All eligible applicants who have applied before the Equal Consideration Date (Feb 1) receive an offer of admission.
Grade 11 marks:	When an applicant does not have a midterm or final grade for their Grade 12 requirement(s), we will consider their Grade 11 final grade as a placeholder midterm for Grade 12, when ranking for competitive programs only.
Dual credits/SHSM programs:	Aviation, Automotive, Child and Youth Care, Communications, Computer Science, Construction, ESL, Esports, General Education, Indigenous, OYAP, Photography, Skilled Trades, Social Sciences, programs offered on campus and in secondary schools throughout the Golden Horseshoe and Haldimand-Brant communities. Visit: mohawkcollege.ca/DualCredit
Alternate offers of admission:	Applicants to waitlisted programs, and applicants not eligible to their program of choice who are not pursuing upgrading or testing options, may be sent an alternative offer for a related program.
Supplemental admission requirements:	Additional selection criteria may be used for oversubscribed programs. Examples are portfolios, interviews, resumé, auditions, questionnaires, testing etc.

Differentials:	Information on how C, M or U level courses are considered as part of our admissions process: As per the Ministry's Binding Policy Directive, all C, M or U level courses are considered equally for the purpose of admissions decisions except in instances of degree programs where specific combinations of M or U level courses are required.
Workplace pathways:	Art & Design Foundations (270), Career Pathways (361), Construction Techniques (452), Construction Techniques - Plumbing (584), Mechanical Techniques (Welding and Fabrication) (574), Visit mohawkcollege.ca
Upgrading pathways:	Opportunities exist through Continuing Education mohawkcollege.ca/CE For English as a Second Language applicants, we offer General Arts & Science- English for Academic Purposes and Programs for Newcomers funded by Immigration, Refugees and Citizenship Canada mohawkcollege.ca/newcomers
Post-graduate opportunities:	Mohawk offers a number of graduate programs. Visit mohawkcollege.ca/GradStudies
Deferral policy:	n/a
International Student application process:	Mohawk provides end-to-end support for international students, including study permit guidance, transition services, and immigration-related advising. Scholarship & Financial Aid Information	
Scholarships, bursary and awards application information and deadlines:	Mohawk College has always offered an affordable education, giving students access to more than \$3 million in Mohawk College bursaries, and Ministry-partnered bursaries and scholarships to help meet our students' financial needs. Each semester, full-time students can complete a Scholarships and Bursaries Application to be considered for all the awards, bursaries and scholarships available through Mohawk College. Students studying through Continuing Education (CE) can complete a CE Bursaries Application to be considered for all bursaries and awards that we have available. Both applications open prior to the start of every semester at mohawkcollege.ca/awards
Athletics Information	
Varsity teams:	The Mohawk Mountaineer varsity programs are defined by a culture of high-performance, offering 10 competitive sports teams, and scholarships available through Head Coaches. Visit mohawkmountaineers.com for more information
Recreational opportunities:	The David Braley Athletic & Recreation Centre boasts a fitness centre, with 20,000 sq. ft. and a triple gymnasium, that provides opportunities for extramural, intramural, and drop-in activities for all. Visit mohawkmountaineers.com for details.
Residence Information	
Residence options:	Residence applications open on the first business day of February each year. Residence provides an excellent opportunity for students to live in a community and build lasting friendships. Spaces are limited; applications are accepted on a first-come, first-served basis. A non-refundable application fee of \$100 is due with application. Visit mohawkresidence.ca and click 'Apply Now' on the main page to get started.

Indigenous Admissions Pathway process (helps give equitable access to Indigenous applicants). niagaracollege.ca/indigenouseducation/apply New Program options for students with Workplace English (ENG4E). See Workplace Pathways section.

Admissions Information

Selection process for oversubscribed programs:	For competitive programs, applications received on or before the application deadlines are equally considered, based on published admission requirements and residency priority. Selection is based on the average of final grades in all required courses and, if required, pre-admission test or portfolio scores. Course averages are based on the highest final grade available at the time of evaluation. Mid-term grades are not considered for competitive programs; however, grade 11 final grades are considered where the required grade 12 course is in progress. For detailed Pre-Admission Requirements and important dates visit: niagaracollege.ca/par Detailed information, cut off scores and examples on admission decisions are available at niagaracollege.ca/admissions (click on Admission Decisions).
Selection process for non-oversubscribed:	Applications to open programs are evaluated based on published admission requirements. Acceptances are issued upon receiving admission requirements and continue to be issued until the program reaches capacity.
Grade 11 marks:	Grade 11 final grades are considered where the required grade 12 course is in progress. Example: When an applicant is enrolled in a required grade 12 English (and has no previous final mark for grade 12 English) evaluation will be based on the final mark for grade 11 English. Offers of admission granted in this circumstance will be conditional upon successful completion of the required grade 12 English.

Dual credits/SHSM programs:	Dual credits and SHSM courses are not given extra consideration for admission. However, Dual Credits may be considered for exemption/transfer credit opportunities. SHSM Scholarship: Niagara College offers a \$750 Specialist High Skills Major Scholarship for eligible applicants applying for admission into an identified related Niagara College program. For details visit: niagaracollege.ca/shsm
Alternate offers of admission:	Alternate offers of admission may be issued to related or preparatory programs. Applicants with E level English will be considered for an alternate offer to General Arts and Science – College Exploration and Pre-Community. Applicants are encouraged to contact Admissions to discuss alternate program options.
Supplemental admission requirements:	We refer to supplemental admission requirements as Pre-Admission Requirements. Additional fees may apply. For detailed Pre-Admission Requirements and important dates visit: niagaracollege.ca/par
Differentials:	Niagara College does not differentiate between C, M or U level courses.
Workplace pathways:	Students with Grade 12 Workplace English (ENG4E) may apply to Art and Design Foundation, Culinary Skills, General Arts and Science – College Exploration, Professional Butchery Techniques, Pre-Community Services and Community Integration through Co-Operative Education (CICE) as well as Motive Power Techniques (Grade 11 C Math is also required for Motive Power Techniques). Workplace credits may also be considered on an individual basis for admission to some preparatory certificate programs or as part of admission to the Community Integration through Continuing Education (CICE) program.
Upgrading pathways:	Preparatory Certificate programs are offered in Pre-Health, Pre-Community, and College Exploration. The Academic and Career Entrance (ACE) certificate program is available for candidates who are at least 19 years of age and do not have the required courses for admission. For details, visit: niagaracollege.ca/ace
Post-graduate opportunities:	Graduate Certificate programs are offered at Niagara College. Niagara College also offers pathways to other degrees and diplomas at both Niagara College and other institutions. To review established pathways, visit: niagaracollege.ca/pathways
Deferral policy:	Offers of admission and waiting lists are valid for the current term only. Deferrals are considered on an individual basis when documentation (e.g., medical note) is provided.
International Student application process:	For inquiries regarding the international student application process, visit niagaracollege.ca/international
Students with disabilities:	Health, Wellness & Accessibility Services Welland Campus: 905-735-2211 ext. 7778/7635 Niagara-on-the-Lake Campus: 905-641-2252 ext. 4408/4449 For types of support and accommodations visit: niagaracollege.ca/hwas

Scholarship & Financial Aid Information

Scholarships, bursary, awards app info & deadlines:	Niagara College offers over \$1.5 million in scholarships and bursaries each year. We continue to offer Specialist High Skills Major scholarships, Entrance Bursaries, and a variety of donor funded scholarships and bursaries. Institutional Information

Student Population:	2,000 Full-time students + 7,000 Part-time and Continuing Education students
New Programs:	Welding Fabrication - 1 year Certification
Program Changes:	Mining Engineering Technician is now 2 years + Mandatory Co-Op (5 semesters in total) and is now offered in Haileybury and Timmins campus both The Companion Animal Physical Rehabilitation Graduate Certificate is now offered fully at a distance, combining flexible online learning with a mandatory one-week, in-person residency at our Haileybury Campus.
What's New:	A 125,626 Sq Ft dome structure with 6,296 Sq Ft clubhouse building that consist of 4 soccer fields (1 full size and 3 small size) 2 basketball, 2 volleyball, 2 tennis court, 2 badminton and 2 pickle ball courts 4 lane sprint tracks with one on the side

Admissions Information

Selection process for oversubscribed programs:	Varies from year to year, only minimum requirements are published. However, the cut off for highly competitive programs is higher than the minimum requirement issued. Highly competitive programs are programs that receive more applications than seats available in the program. As a result, applications received by February 1st are ranked in order of priority according to highest academic achievement in the admission requirements published for the program. After the February 1st equal consideration date, applications are waitlisted should seats become available in the program.
Selection process for non-oversubscribed:	Must meet minimum admissions requirements or be in the process of obtaining admission course requirements to receive a conditional offer. Proof of registration in high school courses or upgrading is required. Applicants continue to be assessed until September, or until the program cap is reached and then a waitlist is created.
Grade 11 marks:	Admissions will only access grade 11 marks for the programs where either grade 11 or 12 is required for acceptance. These credits would be Grade 11 and 12 Math, Biology and chemistry. For more detailed requirements visit northerncollege.ca or ontariocollege.ca
Dual credits/SHSM programs:	Dual credits would be looked at for credit exemption. List of dual credit programs available upon request.
Alternate offers of admission:	Applicants that do not meet admission requirements for selected programs may be provided an alternative offer where they do meet the admission requirements, dependent on availability of seats in any given program.

Supplemental admission req:	No admissions testing - Veterinary Sciences, Health Sciences and Community Services placement (First Aid, CPR, Immunization records, police check). Admission testing is offered to mature students who do not have the required English or Math, (no testing available for sciences).
Differentials:	Northern College does not use differentials.
Workplace pathways:	Students with workplace level courses can study our Animal Grooming Certificate program. We also offer academic upgrading. For more information, please visit the Northern College website regarding workplace level courses.
Upgrading pathways:	Academic upgrading available. Preparatory programs; Pre-Health Sciences Pathway to Advanced Diploma and Degrees. General Arts and Science - Exploratory. Pre-Technology Certificate.
Post-graduate opportunities:	Companion Animal Physical Rehabilitation Cyber security Health care Management and Human Resource Management
Deferral policy:	Only in extenuating circumstances - requests must go to our Registrar and are considered on an individual case-by-case basis
International Student App:	International applicants may submit their electronic application through the Ontario college application service. For more information visit https://www.ocas.ca/what-we-do/international

Upcoming Events:	niagaracollege.ca/visit

Institutional Information

Student Population:	At Ridgetown, we have 600 full-time students
New Programs:	Adjustments to the schedule of studies and individual courses have been made to improve student success
Program Changes:	Ridgetown is excited to pilot drone systems in its Agricultural Robotics course, giving students hands-on experience with modern precision agriculture technology.
What's New:	Admissions at Ridgetown Campus: https://www.uoguelph.ca/ridgetown/apply/

Admissions Information

Grade 11 marks:	Grade 11 grades will be considered as part of the six courses for their required admissions average. If we are looking for a final Grade 12 mark for admission into an oversubscribed program, we will consider Grade 11 marks in the assessment process, but the Grade 12 marks must still meet the minimum required average.
Alternate offers of admission:	Alternate offers may be made to applicants who have applied to the Veterinary Technology Conventional program. An offer to the Veterinary Technology Alternative program may be granted. If applicants are not successful in an offer of admission to our Veterinary Technology diploma, they are encouraged to consider our other animal-related program options (Agriculture Diploma, Equine Care and Management Diploma, or Veterinary Assistant and Office Administration Certificate)
Differentials:	For Veterinary Technology admissions, our minimum grade for college-level courses is 75%, and for university-level courses is 65%
Degree pathways:	Ridgetown Campus offers four pathway agreements with the University of Guelph through its Agriculture, Environmental Technician, Equine Care and Management, and Horticulture diplomas, allowing you to graduate with two credentials. Students complete two years at Ridgetown, followed by an additional 2.5–3 years at the University of Guelph to earn their degree. Please note that these pathways have specific high school admission requirements beyond standard Ridgetown entry, and students must maintain a minimum average while at Ridgetown to be eligible for transfer. Learn more: https://admission.uoguelph.ca/articulation/ridgetown

Deferral policy:	For deferrals, students can connect directly with our Campus Registrar for more information.
Students with disabilities:	Students with disabilities seeking academic accommodation are encouraged to follow the instructions on our website: https://wellness.uoguelph.ca/accessibility/
Scholarship & Financial Aid Information	
Scholarships, bursary, awards app info & deadlines:	In the 2025-26 academic year, 168 awards were distributed to Ridgetown Associate Diploma students, totaling \$177,775. <ul style="list-style-type: none"> • \$57,500 to Entrance Students • \$102,400 to In-Course Students • \$17,850 to Graduating Students The deadline to apply for Fall Scholarships and Winter Need-Based Awards is October 7. The deadline to apply for convocation prizes is April 1 (handout is subject to the availability of funds). Students can review award opportunities here: https://www.uoguelph.ca/regweb/studentfinance/apps/dpawards
Athletics Information	
Recreation teams:	Students can participate in a variety of intramural sports and recreation activities throughout the year, offering opportunities to stay active and connect with others.
Residence Information	
Residence options:	Steckley Hall is a traditional-style residence that houses approximately 200 students. Mitton and Brien Houses offer smaller, shared living environments. All residence options are located close to academic buildings and campus amenities. Residence is guaranteed for students who apply and submit their deposit by May 15, 2026. Applications can be completed at: https://uoguelph.starrezhousing.com/StarRezPortalRidgetown/

Institutional Information

Student Population:	42,000+ full-time students / 17,000+ graduates annually
New Programs:	Bachelor of Business Administration (three years) Bachelor of Computer Science (three years) Bachelor of Science – Cosmetic Science (three years) Business – Supply Chain & Operations (two years) Honours Bachelor of Science – Nursing (Fast track) (three years) Master of Artificial Intelligence Design & Development (16 months)
Program Changes:	Dental Office Administration, Pre-Community Services, Pre-Health Sciences Pathways to Certificates and Diplomas and Pre-Health Sciences Pathway to Advanced Diplomas and Degrees as well as Beverage Business Management and Human Resources Management (Graduate Certificates) are now also available as fully online programs. Program Availability is available at niagaracollege.ca/status
What's New:	<ol style="list-style-type: none"> We have officially welcomed the first cohort of students into our new Master of Artificial Intelligence Design & Development program. This is Seneca's first-ever master's degree and the first of its kind offered by any college or polytechnic in Ontario. The two-year program combines advanced AI theory with practical, industry-driven experience, including an 8-month internship. Our Bachelor of Engineering – Software Engineering program has been accredited by the Canadian Engineering Accreditation Board (CEAB), reflecting the excellence of the curriculum, the dedication of faculty and the talent of Seneca students. CEAB accreditation ensures that graduates are academically qualified to pursue licensure as Professional Engineers (P.Eng.). The new HOYA Vision Care Eyeglass Dispensing Lab at Newnham Campus provides students of the Opticianry program with access to a cutting-edge optical laboratory. Equipped with professional-grade technology, this immersive learning space allows students to develop their skills in a setting that prepares them for success through hands-on experiential learning. We have expanded our Liberal Arts University Transfer program with a new pathway to Queen's University, in addition to existing pathways to the University of Toronto, York University and Trent University. This program offers a flexible and accessible route to degree completion, allowing students to earn both a diploma and a degree in as little as four years. We have expanded our relationship with Microsoft to integrate innovative AI learning opportunities into the classroom. Within AI-focused programs, Seneca faculty will be working with Microsoft to integrate agentic AI into our curriculum, equipping students with hands-on experience to help set them up for success in emerging job markets.

Admissions Information

Differentials:	Seneca does not use differentials in the selection process.
Grade 11 marks:	In the absence of midterm or final Grade 12 marks for prerequisite subjects for a given program, Grade 11 marks may be considered in the selection process.

Dual credits/SHSM programs:	Seneca offers more than 50 dual credit courses across various academic areas, supporting over 1,000 high school students annually. Seneca offers a one-time \$1,000 dual credit bursary to full-time first-year students who completed a dual credit course at Seneca while in high school and who demonstrate financial need.														
Selection process for oversubscribed programs:	Cut-off scores are specific to each applicant pool and may be higher or lower depending on the intake a student applies to. <table border="1"> <thead> <tr> <th>Highly Competitive Programs</th> <th>Cut off score to receive an offer</th> </tr> </thead> <tbody> <tr> <td>Firefighter, Pre-Service Education and Training</td> <td>75 per cent (Sept. 2026)</td> </tr> <tr> <td>Honours Bachelor of Aviation Technology</td> <td>90 per cent (Sept. 2026)</td> </tr> <tr> <td>Honours Bachelor of Science – Nursing</td> <td>79 per cent (Sept. 2026)</td> </tr> <tr> <td>Honours Bachelor of Science – Nursing (Fast track)</td> <td>81 per cent (Jan. 2027)</td> </tr> </tbody> </table>	Highly Competitive Programs	Cut off score to receive an offer	Firefighter, Pre-Service Education and Training	75 per cent (Sept. 2026)	Honours Bachelor of Aviation Technology	90 per cent (Sept. 2026)	Honours Bachelor of Science – Nursing	79 per cent (Sept. 2026)	Honours Bachelor of Science – Nursing (Fast track)	81 per cent (Jan. 2027)

Workplace pathways:	Applicants who have workplace-level credits and are at least 18 years of age should consider Seneca's Academic Upgrading program to prepare for postsecondary studies.														
Upgrading pathways:	Seneca offers an Academic Upgrading program for students missing requirements for college. Academic upgrading for diploma-bound students includes the Academic and Career Entrance (ACE) certificate program, Pre-Health Sciences (PHS) and General Arts – English for Academic Purposes (GEA).														
Post-graduate opportunities:	Diploma and degree graduates can apply to a one-year graduate certificate program. For details, visit senecapolytechnic.ca/gradcerts . Seneca also has established pathways with more than 60 reputable partner institutions so students completing their Seneca credential can pursue further education, including master's degrees. In addition, Seneca now offers its own master's program. Learn more at senecapolytechnic.ca/programs/fulltime/MAI.html .														
Deferral policy:	An applicant may change their start date through OCAS within the same application cycle and will be considered for an offer if there is room in the program. There is no guarantee of a seat if the program is highly competitive.														
International Student application process:	International applicants can use Seneca's International Web Application to apply. Details about the application process are available at senecapolytechnic.ca/international/apply . For dedicated advising, connect with Arslan Mahmood at arслан.mahmood@senecapolytechnic.ca .														
Students with disabilities:	Seneca's Counselling Services and Accessible Learning Services provide short-term supportive counselling and academic accommodations to students with documented disabilities or medical conditions. We also offer assistive technology training, learning strategy instructions, workshops, groups and more. To learn more, visit students.senecapolytechnic.ca/spaces/122/accessible-learning-services/landing .														

Scholarship & Financial Aid Information

Scholarships, bursary, awards app info & deadlines:	Seneca offers millions of dollars in scholarships, bursaries and other awards each year. Renewable degree scholarships are available to students whose Grade 12 average is at least 70 per cent. Additionally, a \$2,500 scholarship is available for qualified diploma graduates pursuing a Seneca degree. For details, visit senecapolytechnic.ca/registrar/financialaid .

Admissions Information

Selection process for oversubscribed programs:	<p>Some of our programs are highly competitive and require a minimum GPA to be considered for admission. Applicants to some oversubscribed programs are admitted based on a combination of both academic criteria and the ranking of a supplemental assignment (e.g. portfolios, resumes, questionnaires). These program/faculty scored supplementals are used in conjunction with the applicant's academic performance.</p> <p>See a complete list of competitive (oversubscribed) programs at: sheridancollege.ca/admissions/how-to-apply/admission-requirements/gpa</p>
Selection process for non-oversubscribed:	Applicants are admitted based on published admission requirements. Applicants to these programs are selected on the average of their six highest senior-level credits, including required courses. Sheridan uses a limit of one co-op mark as part of the applicant's six highest senior-level credits.

Grade 11 marks:	For certificate and diploma programs, Grade 11 marks can be used as electives in the calculation of an admissions average in the absence of midterm or final Grade 12 marks. Unless specified as an admission requirement, Grade 11 courses are not used in determining eligibility for admission to degree programs.
Dual credits/SHSM programs:	Grades for Dual Credit and/or SHSM courses are used in the calculation of admission averages and are treated as electives. They are not used as prerequisite courses.
Alternate offers of admission:	Applicants who do not meet the admission requirements for a selected program may be assessed and advised individually and considered for other, related programs.
Supplemental admission req:	Supplemental admission requirements can include portfolios, auditions, resumes, questionnaires, creative projects, essays and others. Details can be found on Sheridan's individual program pages through sheridancollege.ca/programs
Differentials:	Sheridan does not use grade differentials in the selection process.
Workplace pathways:	Currently, Sheridan will only review courses at the C, M or U level for admissions. The suggested pathway at this time for students with Workplace-level English is our Academic Upgrading program.
Upgrading pathways:	Sheridan's free and flexible Academic Upgrading pathway helps students gain high school equivalencies for English, Math, Chemistry, and Biology, opening the door to college programs, apprenticeship pathways and future careers. For students looking to build a strong foundation, Sheridan also offers introductory programs such as Construction Techniques, General Arts and Science, and Pre-Health Sciences.
Post-graduate opportunities:	NEW Master of Animation, Games, and Immersive Experiences Explore our Graduate programs: sheridancollege.ca/programs
Deferral policy:	Deferrals are only granted under extenuating circumstances supported by appropriate documentation. All deferrals are at the discretion of the Registrar.
International Student App:	International students can apply to Sheridan through our International Application Portal . There is an \$110 fee to apply. For questions, please contact Tina Xu at simeng.xu@sheridancollege.ca
Students with disabilities:	Sheridan provides accommodation support for applicants and students through our Accessible Learning Office: sheridancollege.ca/accessible-learning
