Oxford Properties

Oxford Properties Group connects people to exceptional places, and is the owner, developer and manager of some of the world's best real estate assets. Established in 1960, it manages approximately C\$60 billion of assets across the globe on behalf of its co-owners and investment partners. Oxford's portfolio encompasses office, retail, industrial, hotels and multifamily residential and spans more than 100 million square feet in global gateway cities and hubs across four continents. A highly disciplined and thematic investor, Oxford invests in properties, portfolios, development sites, debt, securities and platforms across the risk-reward spectrum. With its global headquarters in Toronto, Oxford operates out of over 15 regional offices including London, Luxembourg, New York, Singapore and Sydney. Its long-term approach to real estate investment aligns Oxford's interests to its customers and the communities in which it operates. Oxford is owned by OMERS, the defined benefit pension plan for Ontario's municipal employees.

Oxford Residential offers unfurnished and furnished apartments in Toronto and Montreal. Our goal is to provide you with an enjoyable and worry-free rental living experience and our suites are designed with your daily living needs in mind, providing the utmost comfort and convenience. Most importantly, you can expect our on-site service team to take care of your requests quickly, efficiently and with a smile. Our caring, available and attentive team is here to make your life easier and help with your daily living needs.

MAXX makes life easier.

Green Living

Oxford is committed to being an industry leader in adopting the principles of sustainability and in putting them into measurable action in our properties. With Oxford's Sustainable Intelligence program, you can count on innovative in-suite and common area improvements that reduce the consumption of natural gas and electricity while limiting emissions.
