

APPLICATION PROCESS FOR CT AUTHORIZATION

1

Complete the [CT Authorization Application Form](#) and email it to ctscanners@rcdso.org.

If you are also applying for a CT facility permit, you must submit a completed [facility permit application](#) along with your authorization application.

2

If approved, the College issues a 6 month provisional authorization.

3

The dentist submits 5 CT reports to the College for review.

4

The College reviews the CT reports.

Note: The College may request additional reports if the reports do not comply with the [Standard of Practice – Dental CT Scanners](#).

5

The College will issue or deny the annual CT authorization.
